# *Author*

Pasala Victor Prabhakar was the third child of their parents.

**Born in Christian Family.**

**Attended Baptist Church for forty years.**

**Founded the Victor's Ministry in the year 1993 October 1st**

**Born: October 1, 1953, Visakhapatnam, Andhra Pradesh, India**

**Father: Pasala Samuel, Senior Engineer, Hindustan Ship yard**

**Mother: Gompana Esther, Bible Women, C.B.C.N.C**

**Wife: Danda Ben Helena Esther, M.A, B.Ed., Married on July 11<sup>th</sup> 1980**

**Son: Samuel Ben Victor, M.B.A, M.Div.**

**Daughter - in - Law: Dimpy V Sathwani, M.B.A**

**Grand Son: Ryan Victor, Grand Daughter: Angelina Victor**

**siblings: Pasala Sadhu Sunder Singh, Pasala Vara Prasad, Kelangi Anna Mani, Pasala Devasahayam.**

**Education:** 1. Master of Arts in Philosophy, Osmania University

2. Bachelor in Divinity, Serampore University

3. Bachelor in Theology, Serampore University

4. Doctor in Divinity, H.T.Open University

**Books:** 1. Journey of Life, 2. Loneliness, 3. Power of Prayer, 4. How can we have the Better Life, 5. Fishers of men, 6. Sorrows behind the Success, 7. Temptation, 8. Comfort, 9. Treasures, 10. Heroes of the Cross, 11. God Prepares the Chosen One, 12. Finish the Race, 13. What is the Real Life, 14. Spiritual Thoughts for The Sermons, 5. Fruitful Family, 16. Sayings of Dr. Pasala, 17. Human Manufacturing Factory, 18. Revealed Revelations

# FOREWORD

his book speaks about the creation of the great God. God made the man in His own image. He gave the free will for the human. When man creates the robots, he will give the program for that robot. God made the human with the great plan. He kept system for the human body. When the all systems work according to the plan of the God, the body will be healthy and perfect. There is no need for the human to receive the diseases to the body as per the God's plan. Man must think in the godly way and also act in the godly way to have the healthy life. When man lives according the will of God, every system of the body works systematically and all the parts of the body will synchronize to each other parts to keep the good health. Eve gave the place for the second thought through the Satan and broke the plan of God, Adam also joined with her. There they opened the doors for the irregularity to the body systems. There the human invited the evil diseases to their bodies. This book explains how the God made the human. We will go through the scriptures on this matter. This book definitely explain the plan and the provision of the Living God towards the human being and the also explains how we can restore the plan of God in our lives. It is must for the human beings to live according to the plan of God. the will of God takes place in the heaven and also on the face of the earth.

# **Human Manufacturing Factory**

**(The Mighty Power of God)**

# **God's workmanship is marvelous**

**You made all the delicate, inner parts of my body**

**and knit me together in my mother's womb.**

**Thank you for making me so wonderfully complex!**

**Your workmanship is marvelous how well I know it.**

**You watched me as I was being formed in utter seclusion,**

**as I was woven together in the dark of the womb.**

**You saw me before I was born.**

**Every day of my life was recorded in your book.**

**Every moment was laid out**

**before a single day had passed –Psalm 139:13 -16**

## **God's workmanship is awesome**

If we go through the baby formation and its development in the mother's womb, that speaks about the God awesome works. Around two hundred and twenty seven days the baby form and develops to get full shape. That's the air tight and water tight belly, in that the baby will be very secure and get the food time to time with the air. We can see that the mouth of baby can be open freely. There is no lid for that. In such conditions the baby will not drink any of the waters in the womb. That is the workmanship of the Living God. That was not made by a human. By thinking all these things the Psalmist told like this in the Psalm 139. He explained the mighty works of the God.

e are going to see about the baby formation and the growth in the womb and also the **W**purpose of the God in the human life. As the matter of fact the scientists do not know why there are certain parts in the body were made. Scientists do not know about the 96% of the science. What's 96 Percent of the Universe Made Of? Scientists don't know about 86 Percent of the planets stars and other objects in space. Till today the scientists are investigating the things. There were many parts in the body were not known by the doctors and also why they were made? After so long years the doctors were investigated some spare nerves in the body. They are using them for the heart operation.

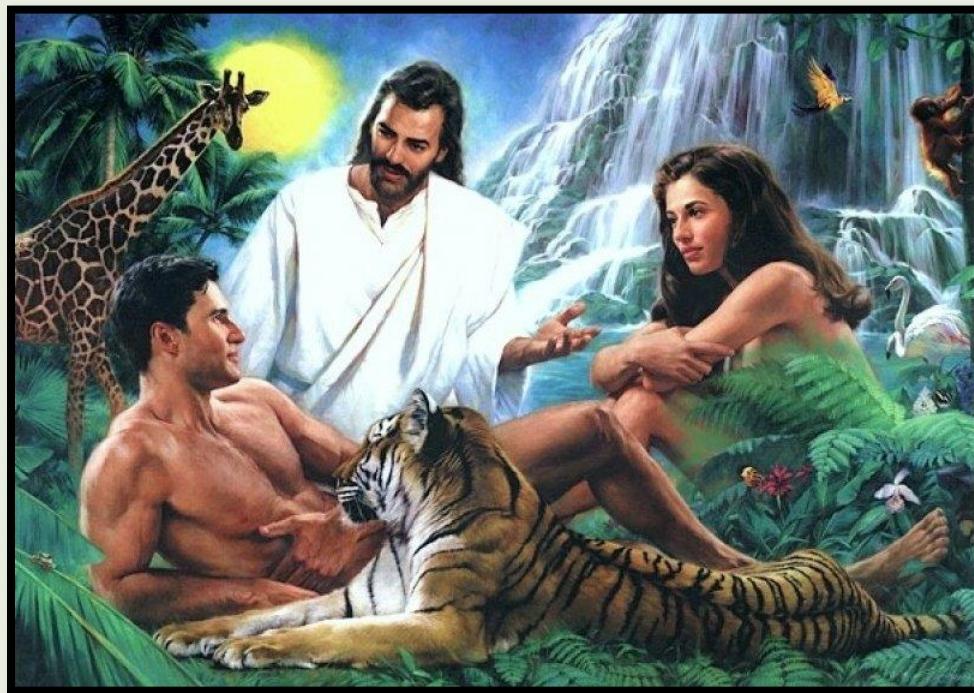

We are going to have detailed study on the body and its parts including its purpose. Why the body systems are failing and what is the remedy for that. By going through the end of this book; you will have the clear understanding about the human body and its purpose and provision made by the Living God.

You created my inmost being;  
You knit me together in my mother's  
womb.  
I praise you because I am fearfully  
and wonderfully made.

*Psalm 139:13-14*

# **God's made the man in His image and Intend**

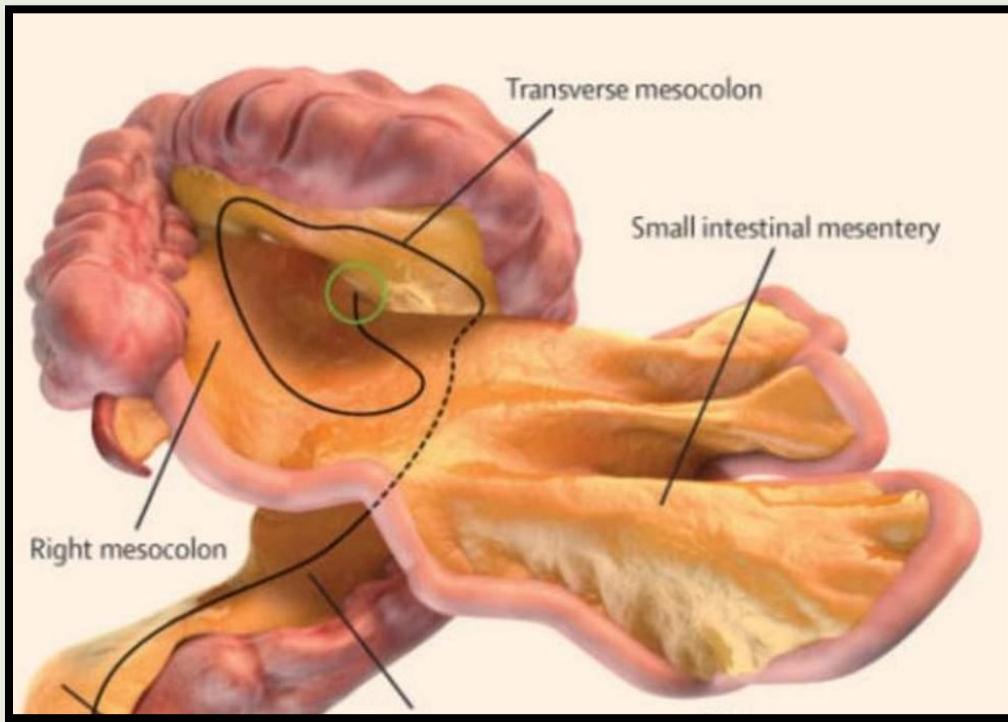

**God designed the human in the systematic way. He made to think in the Godly way and act in the Godly way. In the other words, He loves the human to live in the image of Him. But in the beginning itself, the human fall in the trap of the Stan and listened his words to eat the fruit which God told them not to eat. There they broke the system of thinking what God desired. They came to know that they did something wrong and hided themselves from God. There the thinking system gone wrong from there godly way. I can say that they were invited the blood pressure. The blood pressure is the foundation for the every disease in the**

**human life. So the system of the body was disturbed from the godly way. The body stopped to synchronize with the other parts. There the problem arises in the human body to invite the diseases. We are going to study on the human body the way the God made and the human lost the godly way and gone for the destruction. Here we will have the detail study that how human was made and fall from the plan of God to receive the diseases in the body. Here we will study about the human body in detail with the information of the scientist's researches.**

# Scientists Discover a New Organ in the Human Body

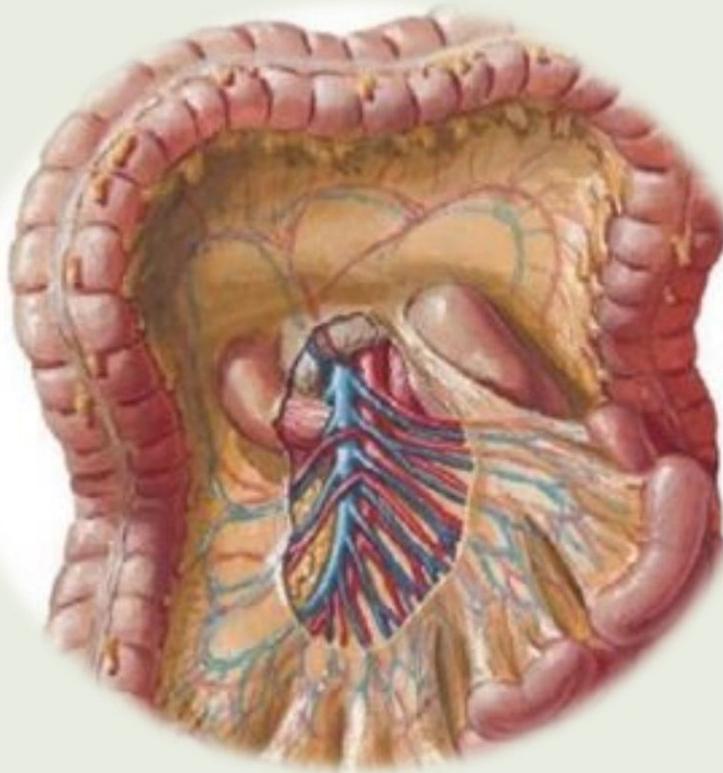

Scientists recently discovered what they are calling a new human organ that exists in the digestive system; Named the mesentery, the organ was previously thought to consist of fragmented and disparate structures. Researchers found, however, that it is one continuous organ and outlined evidence to classify it as such in a review published in *The Lancet Gastroenterology & Hepatology*

“In the paper, which has been peer reviewed and assessed, we are now saying we have an organ in the body which hasn't been acknowledged as such to date,” J. Calvin Coffey, a researcher from the University Hospital Limerick in Ireland, who first made the discovery, said in a release.

The mesentery is a double fold of the peritoneum, which is the lining of the abdominal cavity. It connects the intestine to the abdomen.

While the mesentery's specific function is still unknown, studying it as an organ could lead to new discoveries about its impact on abdominal diseases.“When we approach it like every other organ. We can categorize abdominal disease in terms of this organ,” Coffey said.

## **A new organ has been discovered**

**A new organ has been discovered hiding in plain sight inside the human body.**

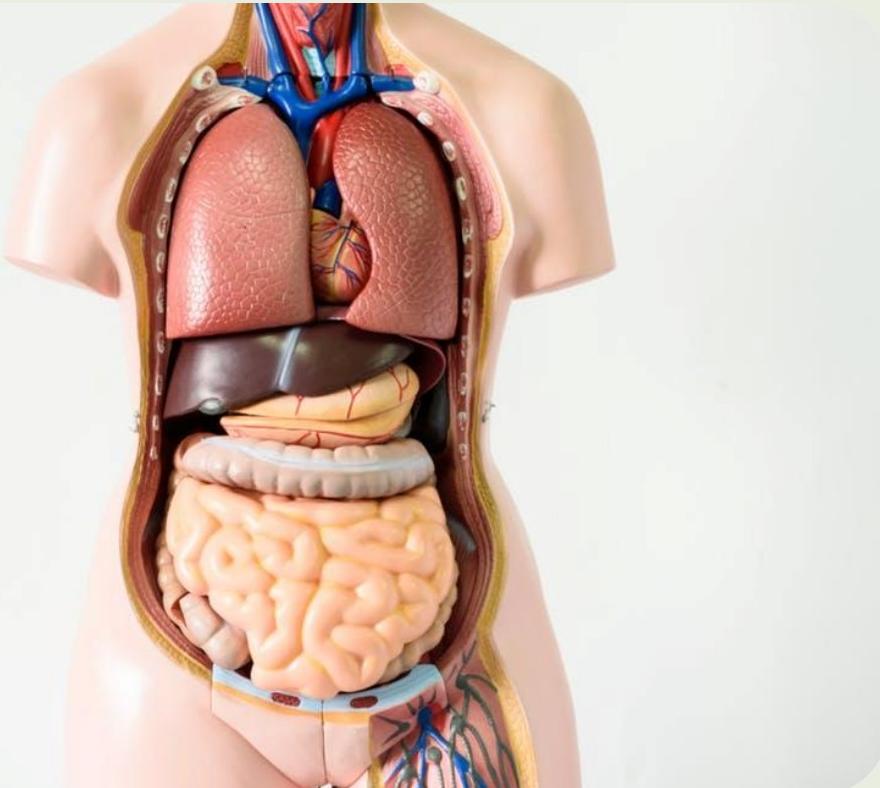

**Known as the mesentery, it was previously thought to be just a few fragmented structures  
in the digestive system.**

**But scientists have realized it is in fact one, continuous organ.**

**Although its function is still unclear, the discovery opens up “a whole new area of science,”  
according to J Calvin Coffey, a researcher at the University Hospital Limerick who first  
discovered it.**

## **Five Body Parts You May Be Able to Re - Grow Soon(ish)**

Starfish, salamanders, and planarian flatworms share a seemingly magical trait: the ability to regenerate body parts they've lost. While humans may never boast quite the same ability, scientists are perfecting ways to create different types of replacement tissue using stem cells or techniques that kick-start re growth and development. Thanks to their efforts, the fabled "human spare-parts kit" may become a reality sooner than you think.

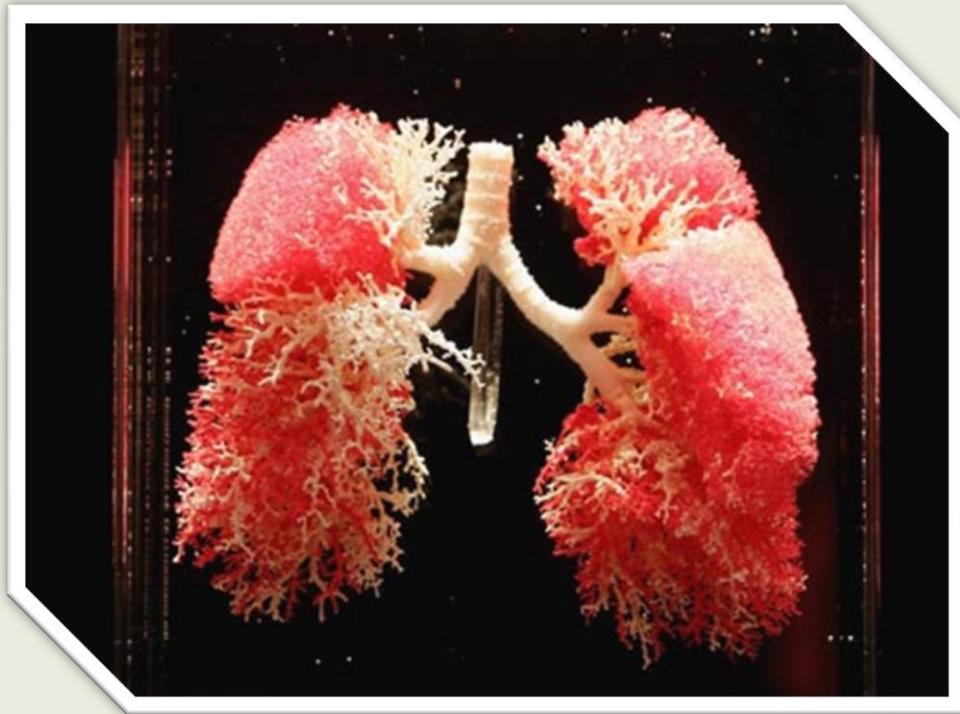

## PATCHING DAMAGED HEARTS

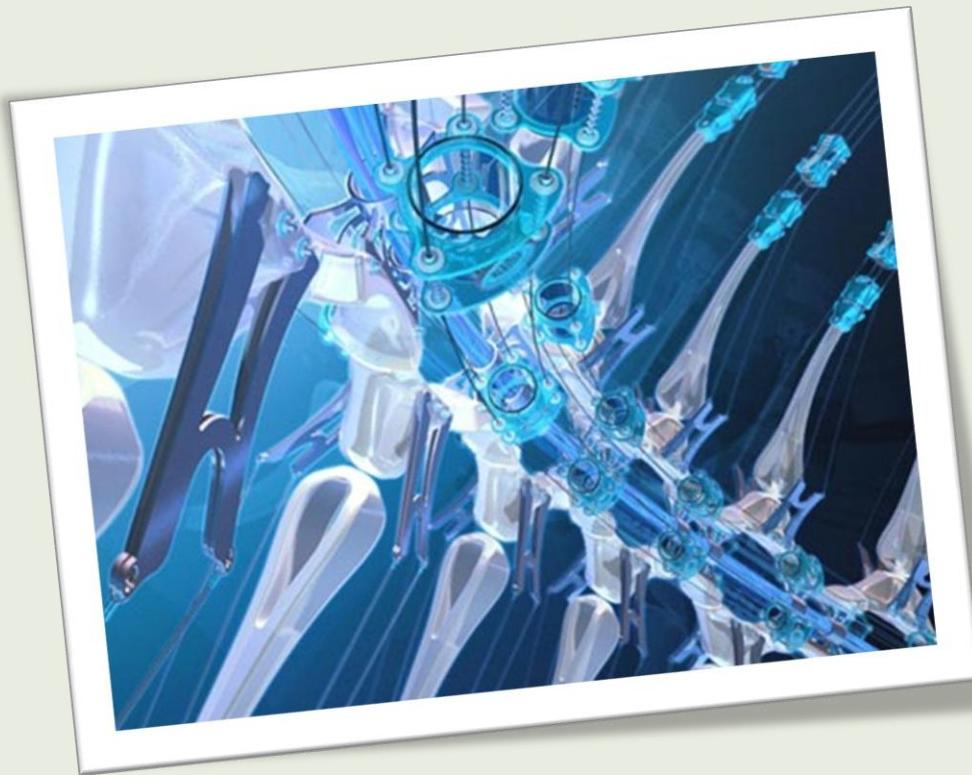

Early attempts to grow heart-repair patches with embryonic stem cells kept running into a glitch: because oxygen and nutrients only penetrated the outer edges of the patch, cells in the center died. Researchers at the University of Washington tested a novel strategy, mixing stem cell-derived vascular cells with heart-muscle cells that were also created from stem cells. The resulting cardiac-tissue patches formed networks of blood vessels that kept them alive and nourished. When the tissue patches were transplanted into rats, the new vessel networks linked up with existing vessels, raising hopes that the patches could someday provide a long-term repair solution for damaged human hearts.

## CULTURING LAB-GROWN LUNGS

In theory, embryonic stem cells can turn into hundreds of different types of tissue, but coaxing them to become one precise type isn't always easy. Researchers at the Free University of Brussels scored a regenerative coup by turning human stem cells into lung epithelial tissue. Their secret? They grew the stem cells in an air-liquid culture that replicated conditions in the human trachea, which encouraged the cells to differentiate into the kind of tissue appropriate for the environment. If lab-grown lung tissue proves its mettle in clinical studies, the tissue could allow sufferers of cystic fibrosis and other pulmonary diseases to avoid lung transplants.

## REGENERATING SPINAL CORDS

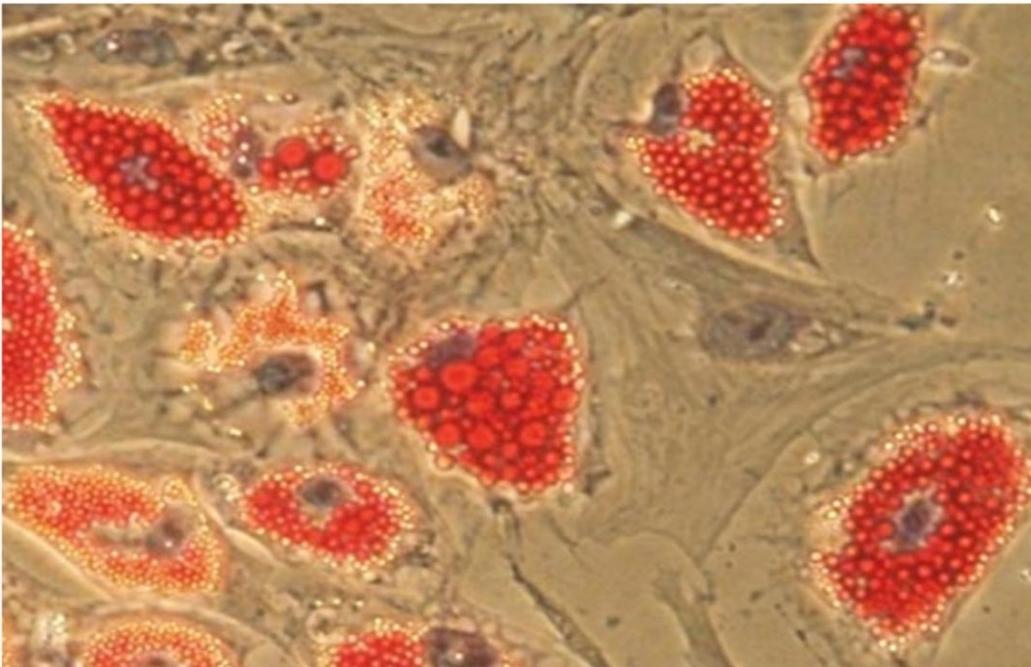

Spinal cord injuries have typically been considered permanent because the nervous system generates dense scar tissue when it's damaged, which prevents new nerves from regrowing. Researchers at the Georgia Institute of Technology and Emory University have isolated a stable version of an enzyme that digests this scar tissue over time, clearing the way for the body's natural repair mechanisms to work. "Repairing spinal cord injuries is going to take a combination of therapies--controlling inflammation after injury, overcoming inhibition due to scarring, and stimulating nerves," says biomedical engineer Ravi Bellamkonda. "We've made one useful step in the direction of making it possible."

## GROWING BACK ARMS AND LEGS

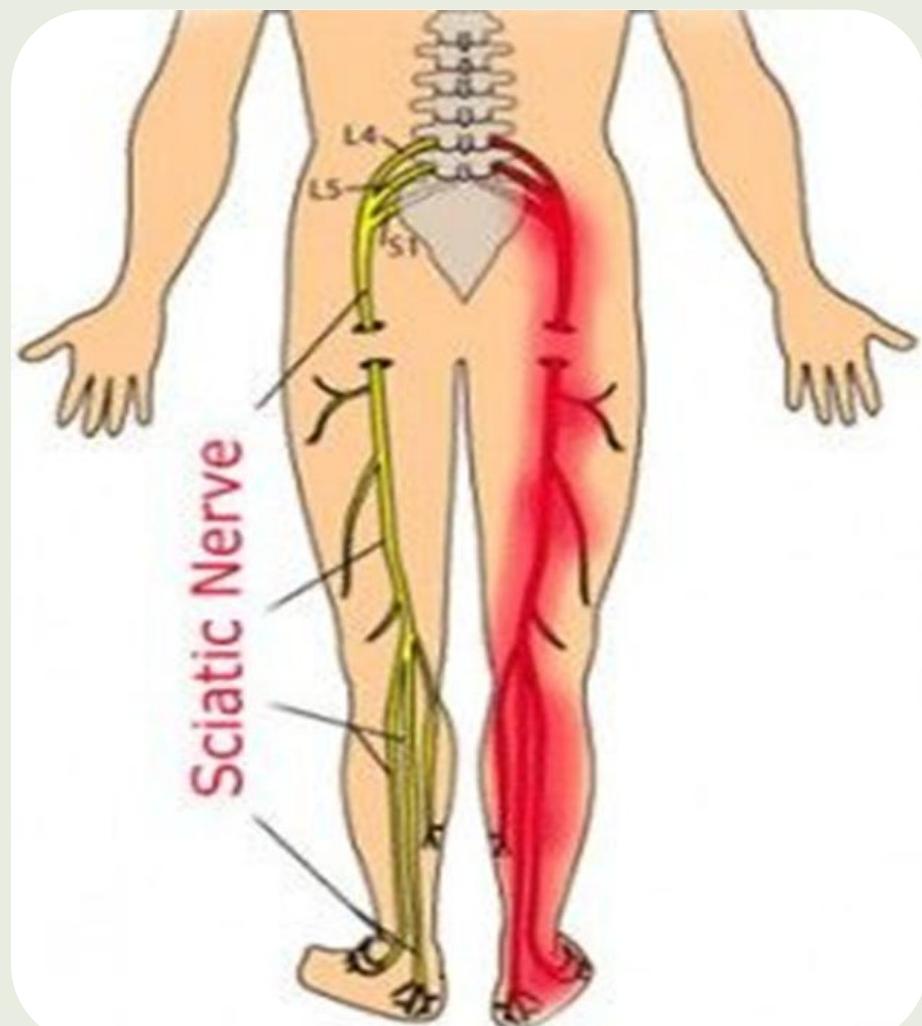

The humble zebra fish can re-grow damaged fins and other body parts with aplomb, but for many years, no one knew exactly what gave the fish that ability. Now researchers at the Salk Institute for Biological Studies have zeroed in on a crucial developmental sequence that allows the fish to go back in biological time. Scott Stewart and his team discovered that after a fin is amputated, enzymes called demethylases help switch on genes that encode development of the missing fin, mobilizing cells in the area to rebuild the fin from scratch. If similar processes turn out to govern human limb development, this research could bring scientists closer to the holy grail of re-growing amputated arms and legs.

## IMPLANTING (NATURAL) BREAST TISSUE

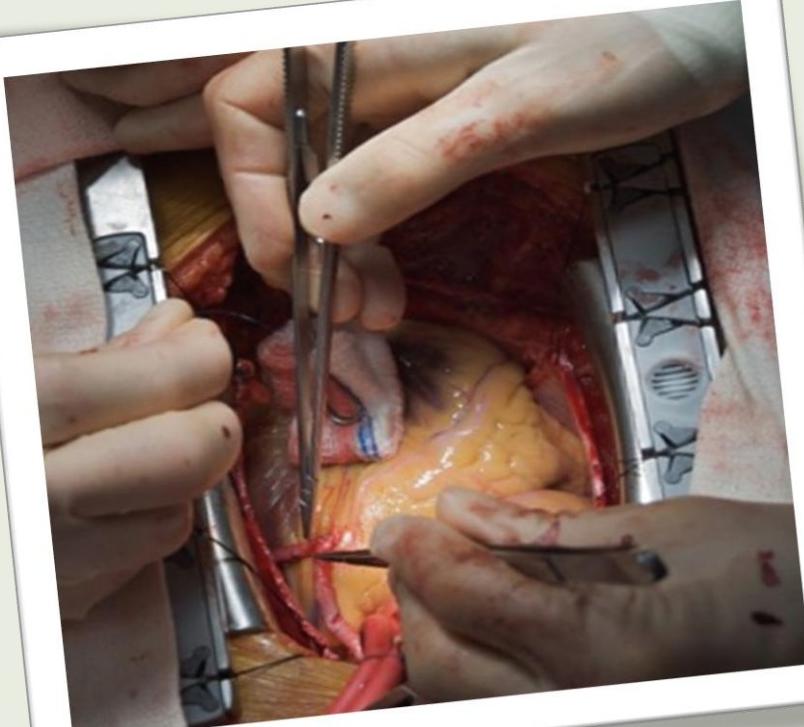

Today's breast and soft-tissue implants have drawbacks: Saline breast implants burst, and the body sometimes rejects or reabsorbs foreign tissue implants. Jeremy Mao, a tissue engineer at Columbia University, has discovered an alternate strategy--using adipose (fatty) stem cells to grow the implants. Mao placed the stem cells in tiny channels carved into a hydrogel base and added a blood-vessel growth factor, which ensured the developing soft tissue received enough blood circulation to stay alive. "When you regenerate on a clinically relevant scale, your system may not be able to handle all the new tissue," Mao says, in which case the tissue may wither away due to lack of blood circulation. "Your existing vascular supply can benefit from some extra help."

## Spare nerves in the legs

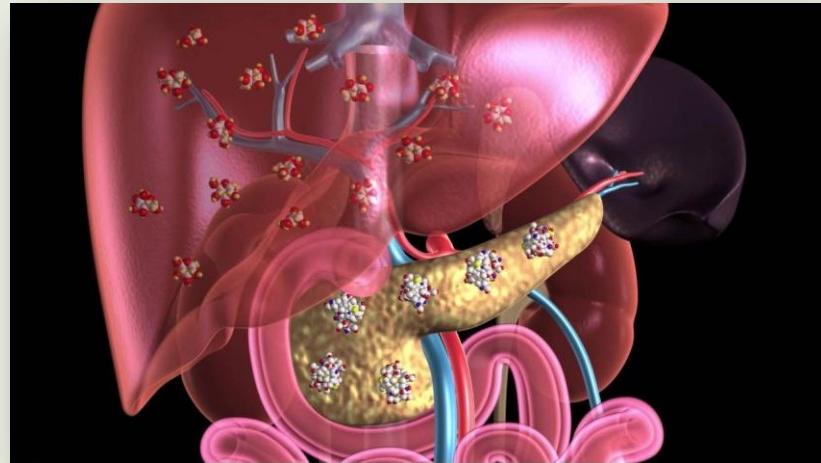

## Heart surgery

Open-heart surgery requires an incision lengthwise down your breastbone, called the **O**sternum, or crosswise between your ribs. The breastbone is then pried apart. When surgery is done, the breastbone is wired back together and your skin is sewn or stapled together. If you're having bypass surgery, you may also have an incision in your leg where your leg vein was removed. Your incision(s) may be painful for a few days, then sore for a while afterward. Ask for pain medicine if you need it.

# Top 10 Medical Innovations to Watch Out for in 2017

## 1. Using the Microbiome to Prevent, Diagnose and Treat Disease

This is the most exciting innovation of the year and it's well deserved. The mainstream medical community is finally acknowledging what we've known all along: our health begins largely in the gut. Our bacteria that make up our microbiomes, or "genetic footprints," help determine our DNA, predisposition to diseases, our body types and more. In fact, it's been said that 90 percent of all diseases can be traced back to our gut and the health of the microbiome.

That's why taking care of our gut health is so important. When toxins like gluten, bad bacteria and undigested food particles get stuck in our digestive tracts, it leads to inflammation, which causes symptoms like bloating, food allergies, skin issues and even autoimmune disease symptoms. There is one thing that concerns me, though. The Cleveland Clinic has identified the microbiome as a marketing opportunity "gold mine." Expect to see shelves flooded with products claiming to improve or heal your gut. Many of these could be low-quality, untested products. Instead, I'd suggest you start by taking the leaky gut test to determine what shape your gut is in, then trying the leaky gut diet and treatment plan or the healing foods diet. Good old-fashioned bone broth or powder made from bone broth is also a great starting point for improving gut health.

## **2. Diabetes Drugs that Reduce Cardiovascular Disease and Death**

In 2012, 29.1 million Americans suffered from diabetes, and 27.85 million of those cases were type 2 cases. Those stats are scary enough, but when you factor in the fact that diabetes is the seventh leading cause of death in the country, they're downright terrifying. So it's exciting that in 2017, we can expect to see new medications for the disease that will alleviate some of the comorbidities that come along with diabetes, like cardiovascular problems and kidney issues. Emagliflozin, for example, has been called a game changer for dealing with kidney disease in type 2 patients, while in trials, liraglutide was found to lower deaths from cardiovascular causes in patients. While it's terrific that diabetes patients will have new, more effective options to treat the disease, I do worry that drugs aren't treating the underlying causes of type 2 diabetes, high blood sugar, and that drugs are becoming the first option patients and doctors are turning to, instead of a last resort.

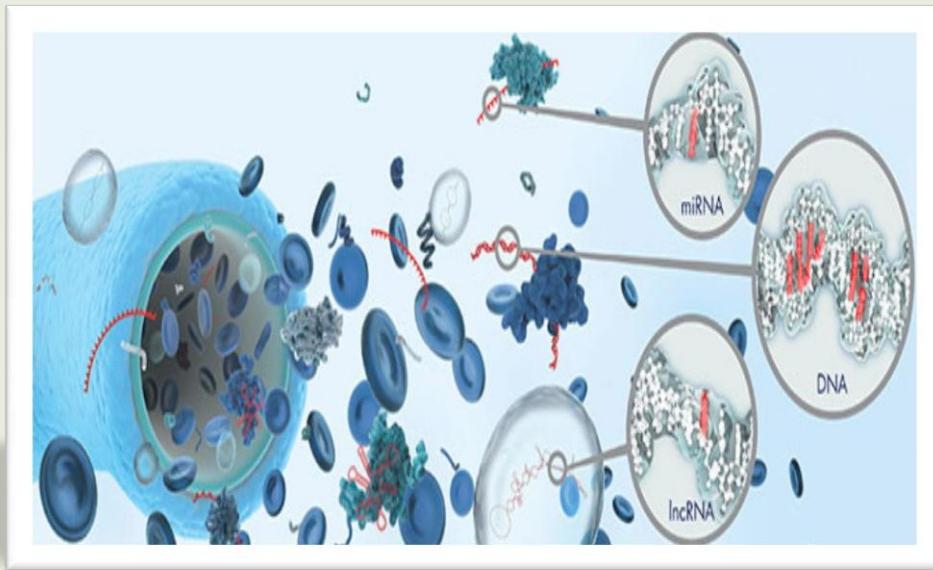

If you or a loved one suffers from type 2 diabetes, I'd urge you to first try to reverse diabetes naturally, pairing it with my diabetic diet plan, before taking more drugs.

### 3. Cellular Immunotherapy to Treat Leukemia and Lymphomas

As medicine becomes more personalized, immunotherapy is becoming a more viable option for certain types of cancers, mainly leukemia and lymphomas. For young people and their families in particular, this is exciting news, as more than a quarter of the 16,000 children and adolescents with cancer have leukemia. Immunotherapy is a way to stimulate a person's own immune system to restore strength to the immune system and provide the power necessary to attack cancer cells. While it comes with its own challenges, immunotherapy has proven to be especially effective in treating leukemia and lymphoma. In one trial published in 2016, 93 percent of patients with acute lymphocytic leukemia, or ALL, went into complete remission after immunotherapy treatments, even when multiple other treatments had previously failed. These advances are exciting for patients with these types of cancers, but also benefit the larger medical community; it's likely that more studies and trials will occur on immunotherapy, hopefully finding treatments for other types of cancers as well.

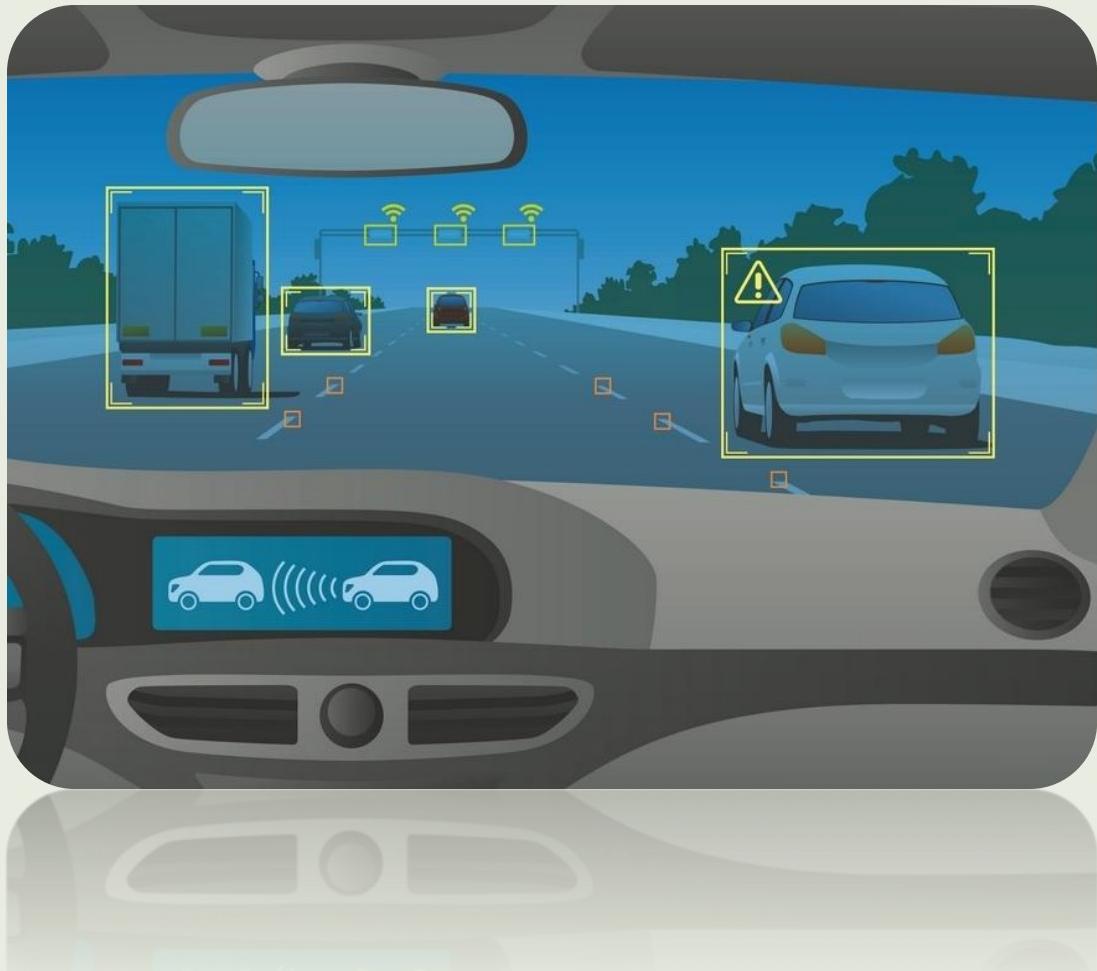

## 4. Liquid Biopsies to Find Circulating Tumor DNA

Tumor biopsies have long been a necessary evil of cancer care. They're used to confirm diagnoses, identify a tumor's cell type and, in the last several years, whether a tumor has genetic alterations that will make the patient a candidate for targeted therapy.

But tumor biopsies also require invasive procedures, including surgery. Not all patients are in the right state of health to undergo a tumor biopsy, and often the tumor location makes it impossible. With the advent of liquid biopsies, these complications might become a thing of the past. The largest study of liquid biopsies to date produced results extremely similar to traditional biopsies. Not only that but in some cases, the liquid biopsy identified mutations linked to treatment resistance that weren't detected with a traditional biopsy. Talk about an important medical innovation. While 2017 probably isn't the year that tumor biopsies will become obsolete, these early results are incredibly promising. It might not be too long until a simple blood test can look for and identify cancer.

## 5. Automated Car Safety Features and Driverless Capabilities

Medical costs related to auto accidents add up to almost \$23 billion a year in the U.S.

**M**But car manufacturers and technology companies are hoping that can change.

They're adding automatic features, like drowsiness alerts and collision warning systems, that they hope will reduce car accidents and human error.

With nomophobia, a smartphone addiction, afflicting more of us each day, any efforts that can reduce accidents and auto deaths is a great idea. (Of course, biking or walking instead of driving is always the healthiest option!)

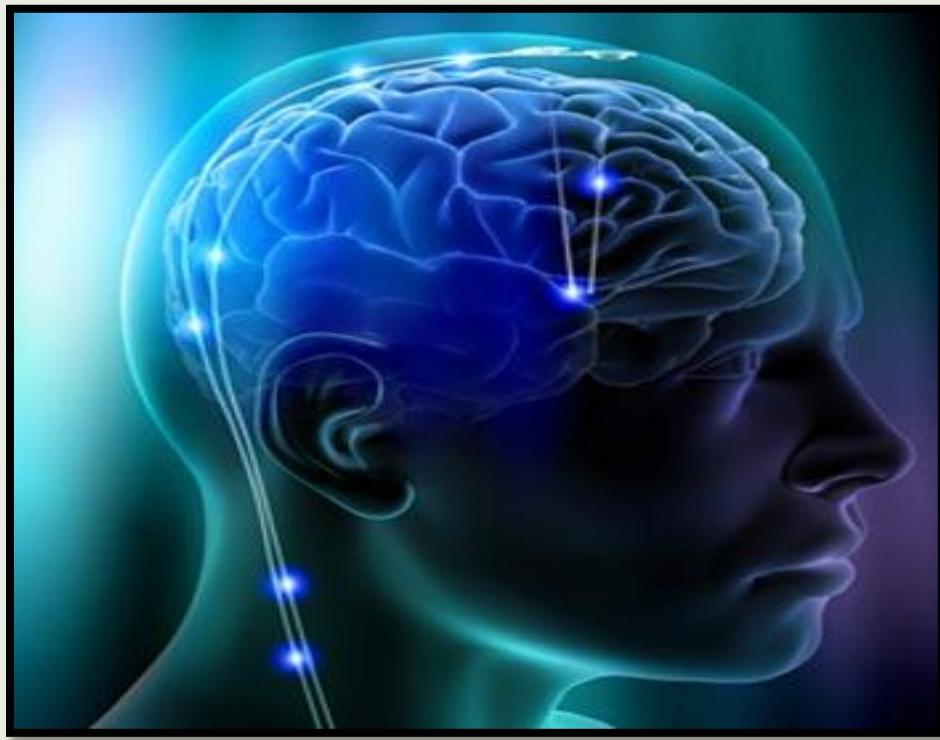

## 6. Fast Healthcare Interoperability Resources

**I**t might surprise you that many people avoid going to the doctor for many reasons that have nothing to do with their health or financial situations. Between navigating different offices, long wait times or hours on the phone with insurance companies, sometimes it seems best to avoid those regular check-ups until there's something really wrong.

One of 2017's most interesting innovations is a new tool that will allow different healthcare systems to "talk" to one another. This means clinical data, like images and medications, along with administrative data like billing and demographics, can be shared easily between offices. While the effects might not be visible, this just might mean fewer headaches when it comes to seeing your physician.

## 7. Ketamine for Treatment-Resistant Depression

ore than 15 million Americans over the age of 18 suffer from depression that's 6.7 percent of the adult population. (8) And while there are some natural remedies and prescription medications available, for nearly one-third of depressed patients, they don't work. Unfortunately, for about 43,000 people, the answer becomes suicide.

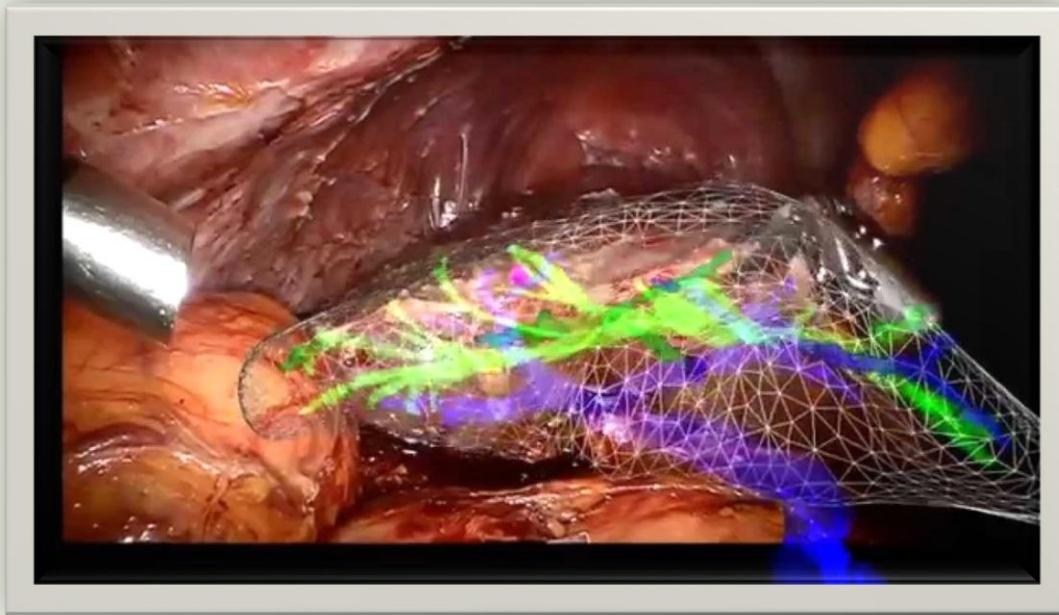

The medical world believes there is new hope in ketamine for these extreme, treatment-resistant cases. For the last few years, the animal tranquilizer and sometimes-party drug has been studied and trialled as a treatment for major depression when other options have been exhausted, and the results are promising. Of course, I am an advocate for natural depression treatment and improving mood and brain structure through food and exercise, but in some cases, even that fails to work.

Numerous studies have found that ketamine is extremely effective in treating major depression, sometimes as quickly as in 24 hours after just one dose. (9) Serial ketamine infusions seem to be even more effective at treating the mental disease. (10) It works by targeting and inhibiting NMDA receptors in nerve cells.

Thanks to the ketamine studies, the FDA has fast tracked the development of medications that focus on NMDA receptors, like the ketamine treatments do. With any luck, these treatments will be available in 2017 to transform lives if other treatments don't seem to work.

## 8. 3-D Visualization and Augmented Reality for Surgery

**P**icture working for hours with your head down, limited vision and an aching back from being hunched over. Oh yeah, and the slightest sleight of hand or mistake can cost a life.

Now though, two of the most delicate surgical practices, ophthalmology and neurology, are experimenting with new technologies that keep the surgeons' heads up while also showing them 3D representations of their subjects.

According to those who have tried it, the technology makes surgery more comfortable which, in turn, reduces the risk of error. The visual information enables them to operate more efficiently and gives medical residents — tomorrow's surgeons — a better view of what's happening in the operating room.

## 9. Self-administered HPV Test

There are now more than 100 different types of the human papillomavirus, or HPV, and at least 13 of those are cancer-causing strains. (11) In fact, two types of HPV cause 70 percent of cervical cancers and precancerous cervical lesions. In less developed regions of the world, cervical cancer is the second-most common cancer in women.

Though there's now a controversial HPV vaccine and other treatments, these are available only to women with access to the tools. So a self-administered HPV test, like the one that's being launched this year, is extremely valuable not only to women in far-away countries, but also to those in America who can't afford proper healthcare or the time off work required to get a pap smear. These HPV kits contain a test tube, swab and a box to mail it all back in. A woman can administer the test on herself then mail the sample to the lab; a healthcare professional will inform her if she has a dangerous type of HPV. While this won't solve the problem of how to treat a patient who does have a cancer-causing strain of the virus, improving access to information is a good first step.

## 10. Bio absorbable Stents

More than half a million people have metal coronary stents placed in their chests. The **M** stents prop the arteries open to alleviate coronary artery blockage in patients with coronary heart disease. But the stent remains in the body even after its original mission is through. Eventually, the stents may restrict natural blood flow and even cause things like blood clots. It seems, however, that a disappearing stent is on the horizon. In July 2016, the U.S. approved the first bio absorbable stent. (12) The stents are made from a naturally dissolving polymer, similar to dissolving sutures. The stent disappears completely in about three years, once its job of keeping a clogged artery open and promoting healing is done. That means no more metal lingering inside the body and causing future complications.

## Final Thoughts on 2017 Medical Innovations

here are certainly a lot of exciting developments happening in 2017. As always, be **T**vigilant about your own health and the types of treatments you pursue. Often, natural approaches, including diet and exercise, can help reduce the need for prescription medications with harmful side effects.

# **Scriptural description for the mother womb**

## **Amazing creation of God**

**You formed my inward parts; you covered me in my mother's womb. I will praise you, for I am fearfully and wonderfully made; Marvelous are your works, and that my soul knows very well. My frame was not hidden from you, when I was made in secret, and skillfully wrought in the lowest parts of the earth. Your eyes saw my substance, being yet unformed. And in Your book they all were written, the days fashioned for me, when as yet there were**

**none of them -Psalm 139:13 - 16**

salmist expressed his amazing feelings towards the creation of the human in the womb  
**P**of the mother. This is true; even till today doctors and the scientists do not know the plan and the purpose of the living God. This is above to the human knowledge. In these days medical was developed a lot, still there are many questions why these parts made in the human body. By keeping all these things in the mind Psalmist mentioned the word Amazing creation of God.

## Two nations in the womb

The LORD said to her, “Two nations are in your womb; and two peoples will be separated from your body; and one people shall be stronger than the other; And the older shall serve the younger.” When her days to be delivered were fulfilled, behold, there were twins in her

womb - Genesis 25:23-24

Here we can see the two nations in the womb; it means two children will become the **H**two nations. That's what exactly happened. They became the two great nations. One is the Edomites and the second one is the Israelites. They both became the great nations with the great enmity. We can see that story in the book Obadiah in the Old Testament. In that two nations the Israelites were still existing as the great nation chosen by the Living God. And also as the centre point to the whole world.

## Twins in the womb

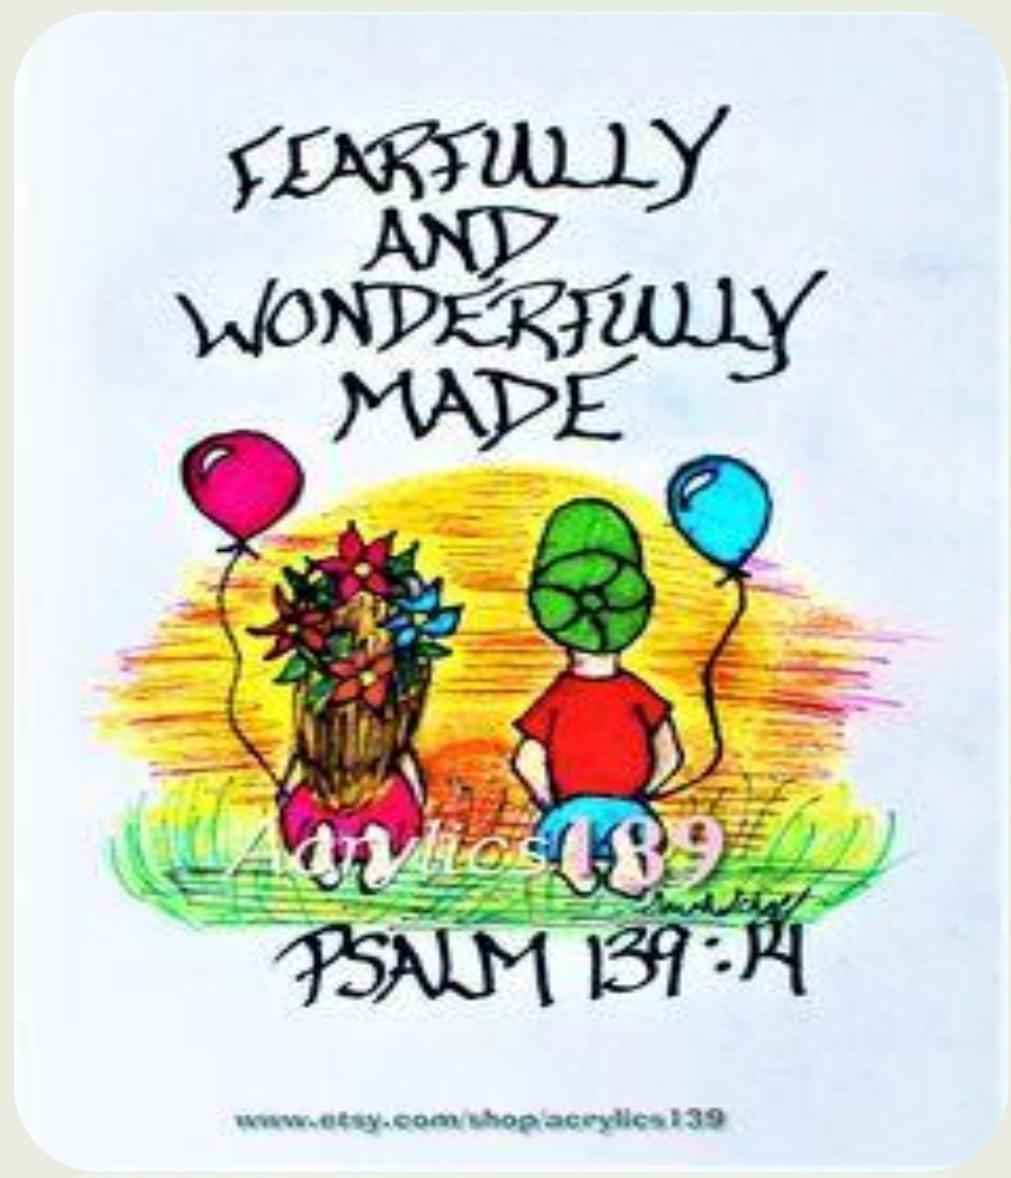

**It came about at the time she was giving birth, that behold, there were twins in her womb -**

**Genesis 38:27**

Here we can see the great works of the Living God. When we think about the one baby in the womb itself is the amazing thing. Two babies in the womb is the another great work of the Living God. Two babies were in the one womb and come out safely as the two independent babies. This is the Gods creation; human cannot understand the manufacturing secret of this creation. Sometimes baby boy and the bay girl will born as the twins and sometimes two baby boys or baby girls will born as twins. If we think on this matter, how great it is that the deferent genders in one womb. That speaks about the mighty creation of the Living God.

## Scriptural sources for the mother womb

## **Remembering the creation at the womb**

**Because it did not shut the opening of my mother's womb, Or hide trouble from my eyes.  
"Why did I not die at birth, Come forth from the womb and expire?"Why did the knees  
receive me, And why the breasts, that I should suck? - Job 3:10 - 12**

**'Why then have You brought me out of the womb? Would that I had died and no eye had  
seen me! I should have been as though I had not been, Carried from womb to tomb.'-Job**

**10:18 – 19**

**J**ob was speaking to God about his birth and its importance. His troubles were made him to deny his birth. His troubles in the life made him to speak like this. Here we will come to know the importance of the birth of someone. In the other side he does not know the importance of his life. His life teachings will help the people in the future generations. His birth was in the plan of living God. His life was the purpose of coming generations as the testimony. This kind of things will happen to someone in the present generations also.

**Coming to my life and the ministry, I was the neglected child. But I was in the plans of the Living God. The rejection of my birth by the people has the purpose of the God in my life. Now God made me as the great servant of Him to reach the un-reached.**

## Fashioned in the womb

**Did not He who made me in the womb make him, And the same one fashion us in the womb?- Job 31:15**

ere the birth of someone speaks that every human came from the womb of mother. Some people were blessed a lot and utilized for the God's works. Some people were born to face all kind of troubles and end up their life in the great tragedy. Coming to the lives of the Eli's Wicked Sons, they were born for the death. Here Job mentioning these words by keeping his life in the mind. As the matter of fact God created everything good, we can see in the creation of the God in the beginning. He made everything good, but the Adam and the Eve choose the evil for their destruction.

Coming to my life and the ministry, I always think that how God did things in my life to stand as the living witness for Him. Due to these things, I praise the God for my birth.

## You have been my God from my mother's womb

You are He who brought me forth from the womb; You made me trust when upon my mother's breasts. Upon You I was cast from birth; You have been my God from my mother's womb. Be not far from me, for trouble is near; for there is none to help

- Psalm 22:9 – 11

The scripture speaks very clearly that God chose someone from the mother's womb and God knows all of our movements from the birth itself. This is not only the experience of the psalmist, but also the experience of every chosen one.

Coming to my life and the ministry, I had the same experiences. When I was born, by that time mother was expecting the baby girl as she already blessed with two sons. She refused to see my face for a week days. After the sixth days my maternal uncle came to see my mother and me. He came to know about my mother attitude towards me. He told about me and also gave prophesy that I will become the great servant of God in the days to come.

## **Assurance from mother's womb**

**Thus says the LORD who made you And formed you from the womb, who will help you,  
'Do not fear, O Jacob My servant; And you Jeshurun whom I have chosen – Isaiah 44:2**

his scripture says very clearly that someone will chose from the birth itself. God **T**chosen the people from the mother's womb and used them in the mighty way in the Bible history. As He was chosen them, they were not feared for anything in their lives to live for the Gods glory and did the wonders through their lives.

Coming to my life and the ministry, things happened like this. I have faced many problems and the pressures in the ministry, but I never feared for any of those things. God protected me and did the great wonders and the miracles in my life to go through the ministry.

## God's servant from mother's womb

Now says the LORD, who formed Me from the womb to be His Servant, To bring Jacob back to Him, so that Israel might be gathered to Him (For I am honored in the sight of the LORD, And My God is My strength) - Isaiah 49:5

Here we can see that we will be the Gds servants from the mother's womb. If we go through the Bible history, The God servants were made from the birth itself. As the matter of fact God created them for the ministry only.

Coming to my life and the ministry, I can say 100% that the God made me as the servant for Him from the birth itself. That provision made me to become the great servant of Him.

## **Birth pains to give birth**

**Before she travailed, she brought forth; before her pain came, she gave birth to a boy. Who has heard such a thing? Who has seen such things? Can a land be born in one day? Can a nation be brought forth all at once? As soon as Zion travailed, she also brought forth her sons. "Shall I bring to the point of birth and not give delivery?" says the LORD. "Or shall I who gives delivery shut the womb?" says your God - Isaiah 66:7 – 9**

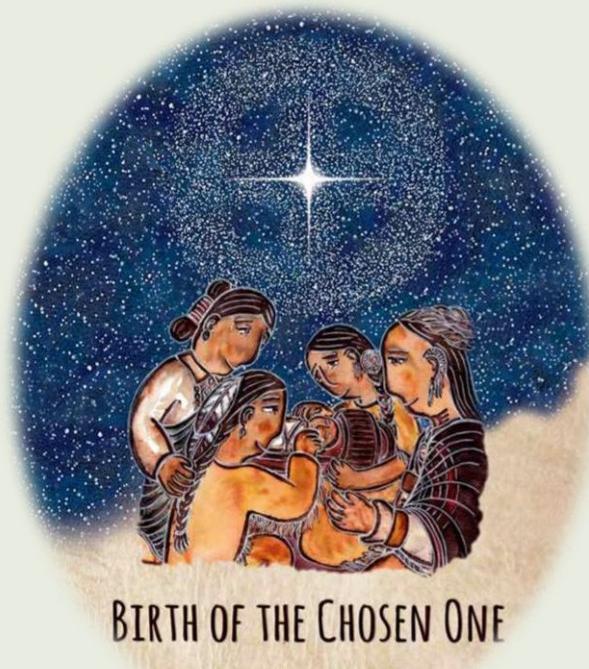

**T**his is very true. One must give the pains in the birth for the child. Birth pains for natural life and the spiritual life. We can see this kind of births in the Bible history.

**Coming to my life and the ministry, my spiritual father gave the birth pains in the spirit to give the birth to me, to live for Him. Birth pains made me the strong person to live for His glory. I always remember myself that how much birth pains he gave for me to do this wide ministry.**

## **Chosen one before the birth**

**"Before I formed you in the womb I knew you, and before you were born I consecrated you; I have appointed you a prophet to the nations - Jeremiah 1:5**

e can see this kind of things in the Bible history. God gave the prophecy well in  
**W**advance of their birth that they will become the great servants for His works. In the  
other words they had born though the prophases for the purpose.

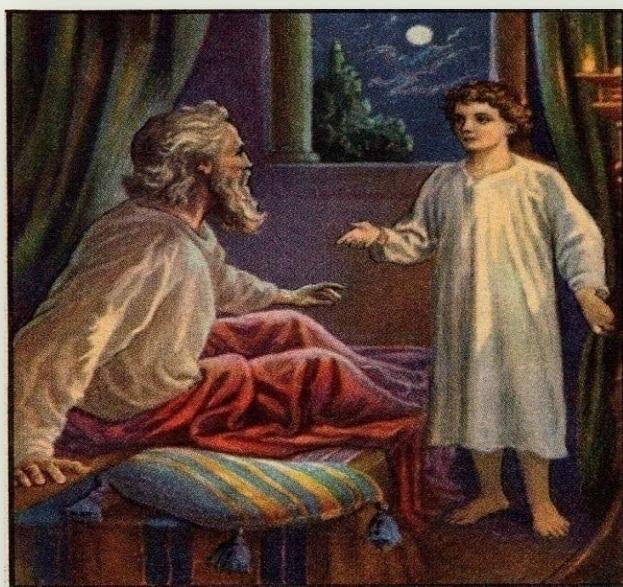

Coming to my life and the ministry, it was happened to my son's life. We prayed for the son  
before the birth itself and also dedicated him for the ministry. According to our prayer  
request, God gave the son and we dedicated him for the ministry. Now he is doing the  
wonderful and effective ministry with the great spirit of God.

## Cursing the birth

**Cursed be the day when I was born; Let the day not be blessed when my mother bore me!**

**Cursed be the man who brought the news To my father, saying, “A baby boy has been born to you!” And made him very happy. But let that man be like the cities Which the LORD overthrew without relenting, And let him hear an outcry in the morning And a shout of**

**alarm at noon - Jeremiah 20:14 – 18**

**H**ere we can see the cursing the birth. There are certain situations that the people curse themselves for their birth. The reasons will be different. Someone will prove himself that they have born for the curse. Their lives will prove that they are the cursed people in the birth itself. God himself mentioned about the Eli's Wicked Sons that they were born to die.

Coming to my life and the ministry I have seen many people like that. They will not have the call for the ministry. They will take-up the ministry when it comes to their hands automatically. But they finished their ministry with the great tragedy by the sudden deaths.

## **Birth rights**

**In the womb he took his brother by the heel, and in his maturity he contended with God**

**- Hosea 12:3**

e can see this in the lives of Jacob and the Esau. They had the fight in the mother's  
**W**womb itself for the birth rights. The birth rights are the blessing from the God. Some people don't use their birth rights like Esau. There are birth rights for the spiritual life also. Many people both in the present life and also in the Bible history lost their birth right due to their drawbacks both in the natural life and the spiritual life.

**Coming to my life and the ministry, Even though I was the third boy in the family, God kept me in the highest places for this wide and the wonderful ministry to win the lost souls.**

## Blessed fruit in the womb

**When Elizabeth heard Mary's greeting, the baby leaped in her womb; and Elizabeth was filled with the Holy Spirit. And she cried out with a loud voice and said, "Blessed are you among women, and blessed is the fruit of your womb!" And how has it happened to me, that the mother of my Lord would come to me? - Luke 1:41 – 45**

**B**lessed fruit in the womb, we can see this in the life of Elizabeth, when Mary visited her, the baby in the womb started leaping. We can see this kind of things in the many others lives both in the Bible and in the present world.

Coming to my life and the ministry, I had many experiences like. When I visited some pregnant ladies, they used to share with me that the baby in her womb leaping. By that time God used to give some prophecy about the baby in the womb through me. Lot of prophecies given by me took place in the people's lives.

## Re-birth

**Beloved, I wish above all things that thou mayest prosper and be in health, even as thy soul**

**prospereth - 3 John 2**

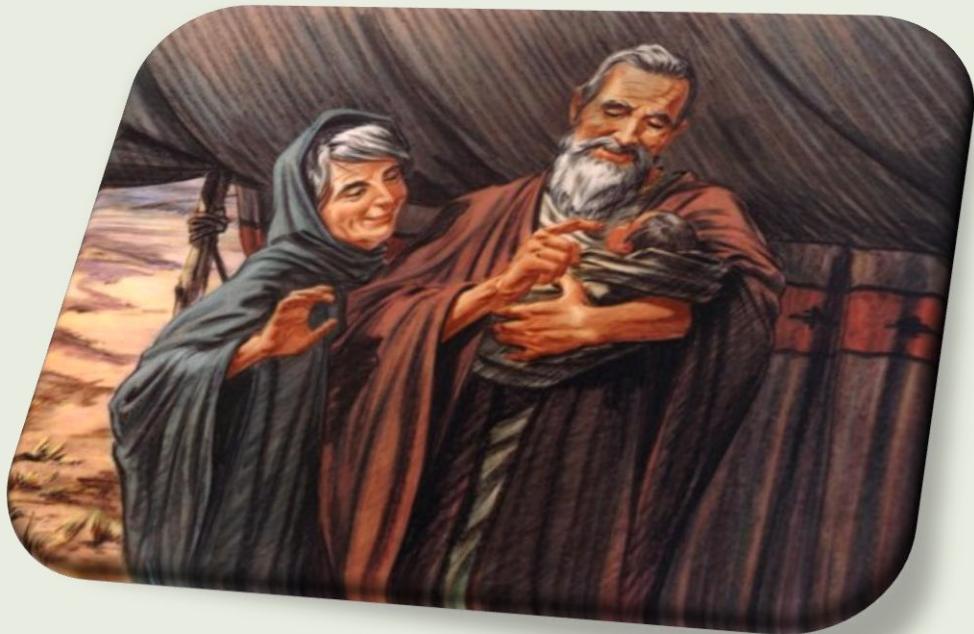

**Jesus replied, Very truly I tell you, no one can see the kingdom of God unless they are born again. Nicodemus said to Him, How can a man be born when he is old? He cannot enter a second time into his mother's womb and be born, can he? - John 3:3 – 4**

Here Jesus is explaining to Nicodemus about the re-birth. In this book we are discussing **H**about the physical birth. This physical body is having the link to the spirit. Human only have the spirit. The scriptures telling very clearly that the body have the link with the spirit. No one can enter the kingdom of God unless they are born of water and the Spirit.

## **Opening the barren womb**

**Without becoming weak in faith he contemplated his own body, now as good as dead since he was about a hundred years old, and the deadness of Sarah's womb; yet, with respect to the promise of God, he did not waver in unbelief but grew strong in faith, giving glory to God, and being fully assured that what God had promised, He was able also to perform.-**

**Romans 4:19 – 21**

Here we can see the faith of the Abraham and Sara. They believed in the promises of the living God. That faith opened the barren womb to conceive the baby boy named Isaac. The covenant that God gave to Abraham was fulfilled through his son Isaac. Here we can see the great miracles work of the God. This is the birth with purpose.

## Closing the womb

The LORD had closed fast all the wombs of the household of Abimelech because of Sarah,

Abraham's wife - Genesis 20:18

Here we can see how the God close the womb of the household of Abimelech. Here we can strongly learn that the opening and the closing of the wombs are in the hand of the living God. There will be the purpose of God in every action. Here the living God opened the womb of Sara; because of her, He also closed the womb of the household of Abimelech. The centre point here is that the birth is in the hands of the living God.

## **Birth is in the hands of God**

**Now the LORD saw that Leah was unloved, and He opened her womb, but Rachel was**

**barren.-Genesis 29:31**

ere we can see, that the God opened the womb of Leah. Every human must know one  
**H**thing that the children are the gift of God. Unless the God grant the children; no one will get the children. Birth is very important; as it will be granted by the God.

Coming to my life and ministry, there were certain people who had no children for fourteen years were blessed with children through my prayers. It means God honored my prayers by granting them the children.

## **Birth is the glory**

**As for Ephraim, their glory will fly away like a bird; No birth, no pregnancy and no**

**conception - Hosea 9:11**

ere the scriptures mentioning about the glory which was given through the birth. It  
**H**says in the other way; the glory will come thought the birth. Birth of the Jesus was the  
glory and also the way to the salvation to the mankind. It will also applicable to the  
chosen ones. The chosen ones birth will be the glory to the living God and also to that  
family including the church and the society.

Coming to my life and the ministry, God made my birth to bring the glory to Him and to  
the church and to the society. I can say one hundred percent that I am living for the glory  
of the living God.

## **God's remembrance to give birth**

**Then God remembered Rachel, and God gave heed to her and opened her womb. So she conceived and bore a son and said, God has taken away my reproach - Genesis 30:22 – 23**

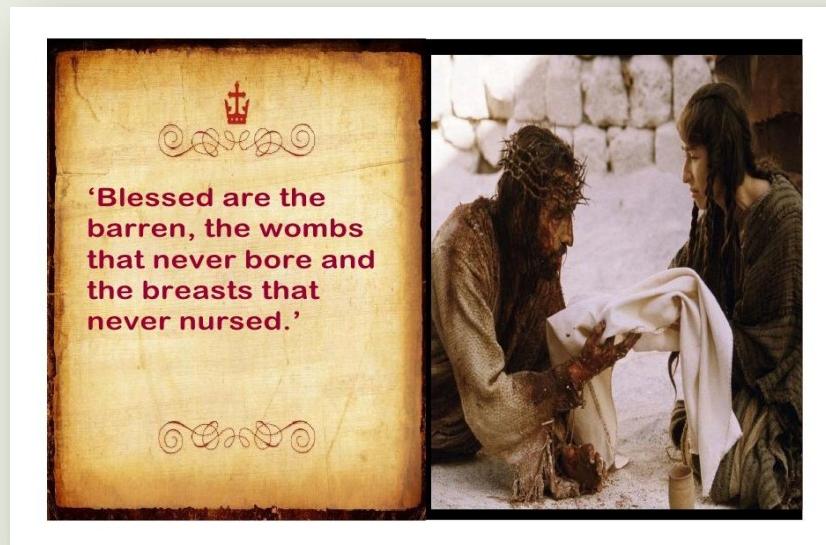

**H**ere we can see the remembrance of the God to give birth to Rachel. He remembered her prayers. So that He opened the womb of Rachel to conceive to give birth to a child.

**Coming to my life and the ministry, it was happened like this. I and my wife prayed for a boy to dedicate him for the ministry. God remembered our prayers and granted a baby boy. We dedicated him for the God's ministry.**

## Blessed are the barren

The time will come when you will say, blessed are the childless women, the wombs that never bore and the breasts that never nursed! - Luke 23:29

ere the scriptures are very clear that blessed are the barren. There are many reasons **H**for that. Here this was mentioned at the time of the crucifixion of Jesus Christ. Sometimes we feel that this kind thing should not happen to the mankind. Coming to the Jesus Christ, He came to die on the cross to save the mankind. Coming to the other side of this thinking; instead of dying for no cause, it's good for someone not to born. This was called as the blessed are the barren.

Coming to my life and the ministry I saw certain young people died in the tragedy way. When I tried to console the mother, she used this word "Blessed are the barren" she use that word due to the pain she had. In this case, both sides are speaking about the importance of the birth.

## **Woe to the pregnant**

**Woe to those who are pregnant and to those who are nursing babies in those days-  
Matthews 24:19**

**Woe to those who are pregnant and to those who are nursing babies in those days - Mark  
13:17**

**Woe to those who are pregnant and to those who are nursing babies in those days; for there  
will be great distress upon the land and wrath to this people - Luke 21:23**

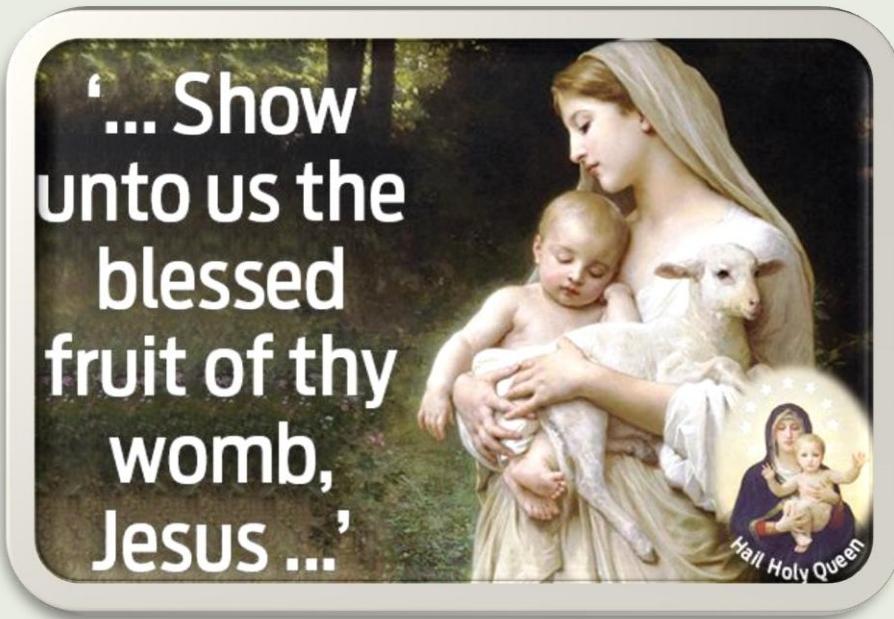

**These scriptures are talking about the end times. Those days are the tribulation days.**

**T**People never faced that kind of troubles from the beginning of the world. Those are days are very hard for the ordinary people. For the pregnant woman those days are really very difficult. In that context those scriptures were mentioned.

## Bless the fruit of the womb

**He will love you and bless you and multiply you; He will also bless the fruit of your womb and the fruit of your ground, your grain and your new wine and your oil, the increase of your herd and the young of your flock, in the land which He swore to your forefathers to**

**give you - Deuteronomy 7:13**

This was the prophetic blessing for the God's children. God loves to bless His children and their children. God made everything good, but the human received the curse due to their disobedience. "Each person is tempted when they were dragged away by their own evil desire and enticed - James 1:14"

Coming to my life and the ministry, according to our prayer request, God blessed the fruit of the womb of my wife. The one and only son of us was blessed a lot to live for His glory.

## Bless the breasts and the womb

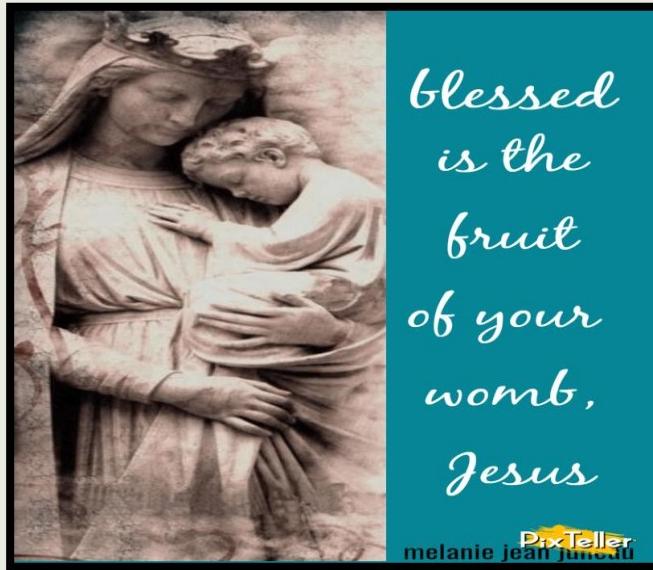

The God of your father who helps you, And by the Almighty who blesses you With blessings of heaven above, Blessings of the deep that lies beneath, Blessings of the breasts and of the womb. - Genesis 49:25

Blessed shall be the offspring of your body and the produce of your ground and the offspring of your beasts, the increase of your herd and the young of your flock -

Deuteronomy 28:4

Then the LORD your God will prosper you abundantly in all the work of your hand, in the offspring of your body and in the offspring of your cattle and in the produce of your ground, for the LORD will again rejoice over you for good, just as He rejoiced over your

fathers - Deuteronomy 30:9

**T**he above scriptures speak to us about the blessed children. When the children were blessed, the people mentioned these words towards us. Those words says that how our children were blessed to our family and to the living God.

Coming to my life and the ministry this happened one hundred percent regarding my son. God made him as the great servant of God and using him in the wider way. People use the say this words towards our son “Bless the breasts and the womb”

## **Children are the gift of God**

**Behold, children are a gift of the LORD, The fruit of the womb is a reward. Like arrows in the hand of a warrior, so are the children of one's youth. How blessed is the man whose quiver is full of them; they will not be ashamed When they speak with their enemies in the**

**gate - Psalm 127:3 – 5**

children are the gift of God; this is true. Unless the God grant the children no one will get. The people, who are not having the children and looking to have the children, can understand this. Coming to the word gift, it says free and also gift. Most of the people do not worthy for this. Coming to our country, many children were ignored by the parents. Coming to my life and the ministry; its one hundred percent true. My one and only son is the gift from God to fulfill His plans to reach the un-reached.

## **Children are like olive plants**

**Your wife shall be like a fruitful vine within your house, your children like olive plants around your table. Behold, for thus shall the man be blessed who fears the LORD.-Psalm**

**128:3-4**

**P**salmist mentioned this from his life experience. God was the founder for the family. He blessed the wife and husband with the children. When the family lives as per God's design, we can see this in their lives.. It's really joyful thing for the families to live like this.

Coming to my life and the ministry, my parents did this practice from our childhood. We must have the family prayer every day. After the family prayer only we use to have the dinner together. My father use to enjoy by seeing the family like that. We are also continuing that pattern till today in our families.

## **Sanctifying the firstborns**

**LORD spoke to Moses, saying, Sanctify to Me every firstborn, the first offspring of every womb among the sons of Israel, both of man and beast; it belongs to Me - Exodus 13:1-2**

**You shall devote to the LORD the first offspring of every womb, and the first offspring of every beast that you own; the males belong to the LORD - Exodus 13:12**

**Every first issue of the womb of all flesh, whether man or animal, which they offer to the LORD, shall be yours; nevertheless the firstborn of man you shall surely redeem, and the firstborn of unclean animals you shall redeem - Numbers 18:15**

**s**anctifying the firstborns was there from the beginning and also its continuing till today.

**S**In the early days of these centuries, parents used to sanctify their first born to the ministry. There was the season that the parent used to send their first born to the missionary work to the other countries.

**Coming to my life and the ministry, we sanctify our one and only son to the ministry. There is blessing in the kind of dedication. God will please in this kind of ministries.**

## **Necked we come from the womb**

**He said; naked I came from my mother's womb, And naked I shall return there The LORD gave and the LORD has taken away. Blessed be the name of the LORD - Job 1:21**

**J**ob was the scholar and highly intellectual man. Out of his life experience he mentioned this. This is also the truth that every person must know. When someone knows this truth, they can live as the good children of God on the face of the earth. Most of the people are in the thinking that this world is permanent for them and building their kingdoms. They are keeping their name to their lands. In the final they are leaving everything here going as necked to the eternal life.

Coming to my life and the ministry, I believe this truth one hundred percent. That kind of thinking made me stand as the living witness for the Jesus on the face of the earth. Because of this kind of thinking; my total concentration is on the ministry to reach the un-reached.

## **Holy array from the womb**

**Your people will volunteer freely in the day of your power; in holy array, from the womb  
of the dawn, your youth are to you as the dew - Psalm 110:3**

oily array from the womb, we can see this in the history of the Bible. When God  
**H**chosen the people from the birth, He kept them holy to live for Him in every situation,  
He also gave the directions to do certain things to keep the child holy from the birth  
itself. That kind of people did the great works for the God through their lives. Some people  
were also failed to keep that holiness in their lives which they got it from the birth.

Coming to my life and the ministry, I released myself that God was chosen me from the  
mother womb to serve Him. For that reason He was also blessed me to live holy. By His  
grace only, He is cleaning me with His blood to live as the holy vessel.

## Pains of childbirth

**The pains of childbirth come upon him; He is not a wise son, For it is not the time that he should delay at the opening of the womb - Hosea 13:13**

Here the prophet mentioning about the birth pains. The mother gives the pains to give the birth to the child, this also applicable to the spiritual birth. Prophet Isaiah mentioned about the pains for the spiritual birth. "Before she goes into labor, she gives birth; before the pains come upon her, she delivers a son – Isaiah 66:7"

**C**oming to my life and ministry, my spiritual father gave pains in the spirit to give the spiritual life to me. Those pains made me to live as the strong vessel for the living God to reach the un-reached. Likewise I am also giving the birth pains for other.

## **You are the God's; from mother's womb**

**You are He who brought me forth from the womb; You made me trust when upon my  
mother's breasts. Upon You I was cast from birth; You have been my God from my  
mother's womb - Psalm 22:9 – 10**

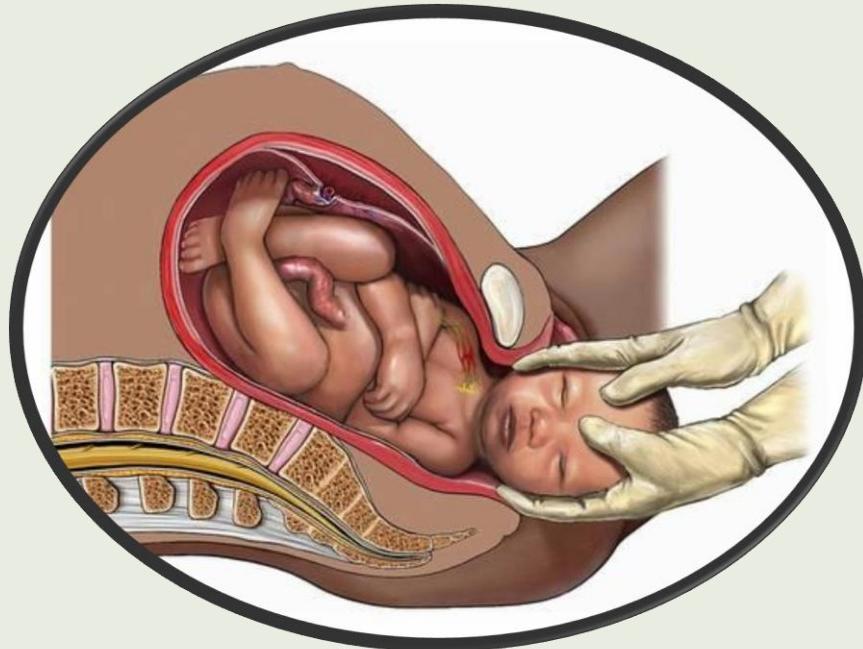

**T**his is the great experience of David. He knows that the God was the God to him from the mother's womb. That was continued in his entire life. As he knows that God was God to him from birth and also knows that He was with him in every situation.

**Coming to my life and the ministry, it was the same. God is my God from the birth itself. The same God is with me in every situation in my life journey. He was with me from the birth till now. I am surviving and pulling on the life successfully to live for Him, because He was the God to me from the birth.**

## Conceiving in the sin

**Behold, I was brought forth in iniquity, and in sin my mother conceived me - Psalm 51:5**

**Wicked are estranged from womb; these who speak lies go astray from birth -Psalm 58:3**

t's true that human gives the birth in the sin only, because the human was fall in the sin  
**I**by breaking the God's command. There they were affected by the sin, so that they gave the birth to the child in the sin. Through the blood of Jesus that sinful nature and the situations were became holy. The holiness will come only through the blood of Jesus.

Coming to my life and the ministry, I was born in the sin, but God cleaned me with His blood and made me holy to become the great servant of Him to reach the un-reached. It's not only to me but also for the every chosen person.

## Sustained from the birth

**From birth I have relied on you; you brought me forth from my mother's womb.**

**I will ever praise you - Psalm 71:6**

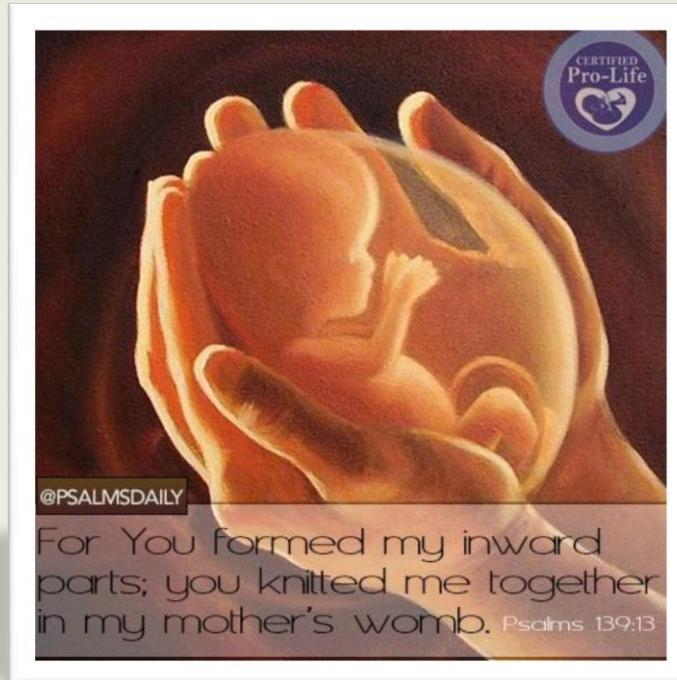

God chose some people and He sustained them from the birth itself. When we see this in **G**some body's life, it will surprise us, when we see every movement in their lives. In every movement God keep them in the safe area. We can see this kind of life the Moses. God sustained him from the birth itself. You know how his mother took care for that baby boy to live for the living God. That care made Moses to become the great leader to lead six lakes of people in the wilderness.

Coming to my life and the ministry, I had the same experiences like Moses. God Sustained me from the birth itself to live for Him

## **God formed the inward parts**

**You formed my inward parts; You wove me in my mother's womb - Psalm 139:13**

ere we can see the mighty works of the God. How He made the human. Till today the **H** doctors do not know why certain parts in the body were created. The creation of the God is the marvels and adorable. I was myself wonder when I think about the human body. I believe that the human body formation is above the knowledge of the doctors and the scientists.

Coming to my life and the ministry, I met with the major accident. My mouth jaws were stocked. I was unable to open the mouth to eat food or take anything. Doctors plan to do the operation. I prayed to God by motioning the above scripture. The doctor said; let us try to heal in the natural way. Doctor kept the air rubber bladder in my mouth and sent the air into the rubber bladder. Then automatically my mouth was opened and started working normally.

## Blessed womb

**While Jesus was saying these things, one of the women in crowd raised her voice and said to Him, Blessed is womb that bore You and the breasts at which You nursed -Luke 11:27**

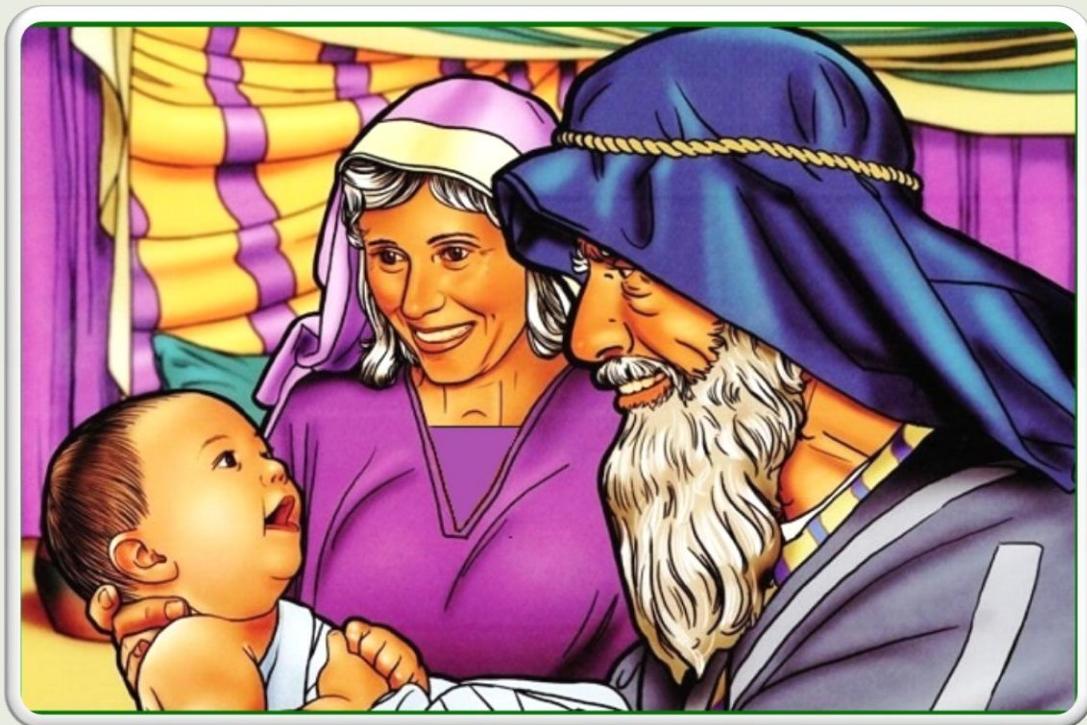

Here we can see that how the people praised the mother womb. The children will bring **H**the honor to the mother when they live to please God. When the children achieved certain thing in their lives, people will praise the womb of the mother who gave the birth to him. The honor of the mother womb will be based on the life of the children.

Coming to my life and the ministry, I became the servant of God only because of my mother. My mother used to take me with her for the gospel preaching's. I used to watch her as the little boy. I was encouraged through her teachings and the preaching's and decided myself to become the God's servant in the future. Now the people will praise my mother womb because of my success in the ministry.

## Faith opens the womb

Without becoming weak in faith he contemplated his own body, now as good as dead since he was about a hundred years old, and the deadness of Sarah's womb - Romans 4:19

**H**ere we can see the faith of Abraham. His faith opened the womb of his wife. Faith is the substance of things hoped for, the evidence of things not seen.

Coming to my life and the ministry, one strong Hindu family came to our church and accepted Jesus Christ as their personal savior. They have no children for fourteen years. When all the church prayed for them, they were blessed with a boy. Our church prayers opened her womb and gave the wonderful son.

# **From The Womb**

## **Chosen from the mother's womb**

**Before I formed you in the womb I knew you, before you were born I set you apart; I appointed you as a prophet to the nations - Jeremiah 1:5**

**I**t is true that the God will choose the people from the mother's womb. We can see many living stories in the Bible that how God choose the people for His works. Those who were chosen from mother's womb did great works for the God and for His children. Such people were led the Gods children to their own destinies decided by the God.

**Coming to my life and the ministry, God was chosen me from my mother womb and made me as the great servant of Him to reach the un-reached and also do the wider ministry in every area. Reach the people with books/sermons/personal evangelism.**

# **Opening the Womb**

## **God opens the womb**

**Shall I bring to the point of birth and not give delivery? says the LORD. "Or shall I who gives delivery shut the womb? Says your God - Isaiah 66:9**

Here we can see the God's great work regarding the opening of mother's womb. In the **H**Bible history we can see many great people's births. God opened the womb of their mothers to give birth for them. Because God opened the mother's womb, people were blessed to have the great servant like Samuel.

Coming to my life and the ministry, God opened my wife's womb and gave the blessed son to serve Him. As my son was the blessed and given by the God; he became the great servant for Him to do the wider ministry. From the youth stage, God used him in the mighty way. He preached in the large meetings where the aged people used to preach in the olden days. The organizer came to me and told me that my son was blessed like a star to our generations.

# What does the Bible say about the human body?

## Importance of the body with spirit

**Do not fear those who kill the body but are unable to kill the soul; but rather fear Him who is able to destroy both soul and body in hell – Matthew 10:28**

This is very important thing in everyone life. Most of the people do not realize that they will face the judgment for what all they did with body, whether good or bad. We need to keep the body holy. This will happen only in the godly life. We need the close relationship with the God to live the holy life. The daily prayers and the meditating the word of God every day will helps to live holy in the sights of God. Body always weak, but with the power of the spirit; we can win every temptation to live for the living God as holy.

Coming to my life and the ministry, it is every day process to check myself in front God. Every day I will kneel down at the feet of the living at 4:30 am to pray. I check myself in front of the living God. The living God will help us to stand as the living vessel for the living God. The power of the God helps us to keep our body holy.

## Holy both in the body and spirit

His interests are divided. The woman who is unmarried, and the virgin, is concerned about the things of the Lord, that she may be holy both in body and spirit; but one who is married is concerned about the things of the world, how she may please her husband-1

Corinthians 7:34

This is very important thing in the human life. In these days I am mentioning in my sermons for the youth to dedicate their lives to the living God as the living vessels for His glory. It's very necessary for everyone to keep the body and the spirit holy in the sights of the God.

Coming to my life and the ministry everyday in my morning prayers, I check myself in front of the God and also ask Him to keep me holy in the body/spirit and in the life. That prayer life is helping me to live for the living God.

## **Perfect body in the sights of God**

**Now may the God of peace Himself sanctify you entirely; and may your spirit and soul and body be preserved complete, without blame at the coming of our Lord Jesus Christ - 1**

**Thessalonians 5:23**

**e must be holy in the body/spirit and life in front of the living God. For this we need  
W**to live in the godliness. Self checking every day and keeping our self holy in the sights  
of the living God. To have this kind of life, we need the daily prayer life and to  
meditate the word of God every day. We need to have fear of God all times.

**Coming to my life and ministry, every day in my morning prayers at 4:30 am, I use to  
check up myself in front of the living God. I pray to God to forgive my sins what all I did in  
the life. Make me holy in the body/spirit and the life in front of You. Merciful God is  
helping me in all times to keep the holy life for Him.**

## **Body with the spirit**

**Just as the body without the spirit is dead, so also faith without works is dead - James 2:26**

ur body must have the spirit all times. The spirit you have all the times is the spirit  
**O**comes from the birth. But this is the spirit of God; say the Holy Spirit. When you do not have the Holy Spirit, you will be called as the dead person. When Adam and Eve ate the fruit, they became dead. That's the spiritual death. Psalmist prayed in his life, all times, Oh! God do not remove thy spirit from me and do not throw me away from your presence.

Coming to my life and the ministry, I do the same kind prayer every day. I love to have the Holy Ghost all times in me. The Holy Ghost helps us to live holy throughout the life.

## Lamp of the body

The eye is the lamp of the body; so then if your eye is clear, your whole body will be full of light. "But if your eye is bad, your whole body will be full of darkness. If then the light that is in you is darkness, how great is the darkness - Matthew 6:22 – 23

ere scriptures saying about the lamp of the body. The eye has the major role in the  
**H**body. Coming to the life of Eve, she was tempted by seeing that fruit. Her temptation started with look. There is saying “The first look is not the sin. The second look is the temptation; The third look is the Sin.” Our eye must be good all times, than only you will have light in your body.

Coming to my life and the ministry, I always do this prayer, because we have lot of temptation in the world. We need lot of prayers in the life to live holy. I always see the Christ in front of me. As the matter of fact we have the promises that He will walk in front of us as the good Shepherd.

## Sin and the body

**Knowing this, that our old self was crucified with Him, in order that our body of sin might be done away with, so that we would no longer be slaves to sin - Romans 6:6**

**in lives in the body. The sin leads someone to the destruction. Human will do the sin.**

**S**How can a man come out from the sin and keep himself away from the sin. Everyone must accept the Jesus Christ as the personal savior. Secondly the most important thing that everyone must go through the crucifixion experience. That experience keeps you away from the sin and it's nature.

Coming to my life and the ministry, I had this kind experience in two ways. Number one is humbling me in front of the living God to go to that kind experience. Number two is the troubles in the life to lead us to the crucifixion experience, I always remember this Bible verse “Very truly I tell you, unless a kernel of wheat falls to the ground and dies, it remains only a single seed. But if it dies, it produces many seeds”

## **Christ in the body**

**If Christ is in you, though the body is dead because of sin, yet the spirit is alive because of righteousness. But if the Spirit of Him who raised Jesus from the dead dwells in you, He who raised Christ Jesus from the dead will also give life to your mortal bodies through His**

**Spirit who dwells in you - Romans 8:10 – 11**

here is a saying “Knowing is different from being” most of the people knows Jesus **T**Christ, but few people will have Jesus in them. Jesus Christ Himself said that everyone must have the re-born experience, than we will become the new creation. It means people will see the Christ in you. As the matter of fact; Jesus Christ wants to live in our bodies. The scriptures says that we are the temple of God.

Coming to my life and the ministry, I love to have this kind of life. One of our church girls gave this testimony in the church. If someone asks me, did you see Jesus any time in your life? Then she answered like this, I have not seen Jesus; but I saw Jesus in my pastor. Every person must have this kind of testimony.

## **Body for God**

**Food is for the stomach and the stomach is for food, but God will do away with both of them Yet the body is not for immorality, but for the Lord, and the Lord is for the body - 1**

**Corinthians 6:13**

**God gave this body to us; to receive the glory through this body. Unfortunately human  
Gare doing all kinds of the nasty things in their lives. In the other words we can say,  
man doing the sin with this body. Because of the sin in the body, people are losing the  
living God in their personal lives. Everyone must remember one thing that God made us  
and purchased us through His blood. We are bound to glorify the God through our bodies.  
For this kind of life; we need the prayer life every day.**

**Coming to my life and the ministry, I have dedicated my body to live for the living God.  
Because of my disciplined life, my body is in the fitness without any diseases to live for the  
living God.**

## **Self-control body**

**Do you not know that those who run in a race all run, but only one receives the prize? Run in such a way that you may win. Everyone who competes in the games exercises self-control in all things They then do it to receive a perishable wreath, but we an imperishable.**

**Therefore I run in such a way, as not without aim; I box in such a way, as not beating the**

**air -1 Corinthians 9:24 – 27**

**e**lf-control is very important for every person. Your self- disciplined life only makes you **S**healthy in the life. The spirit is strong but the Body is weak. Human bodies are very weak and fall in the sin. Body always runs towards the sin. You must kill the desires of the body with the spirit. Your self-control will keep good health and also gives the better life.

Coming to my life and the ministry, I wrote a book named “How can we have the batter life” the total book speaks about the self-control. Through our self-control only we can live for the living God as the holy vessel.

## **Body of His glory**

**Who will transform the body of our humble state into conformity with the body of His glory, by the exertion of the power that He has even to subject all things to Himself -**

**Philippians 3:21**

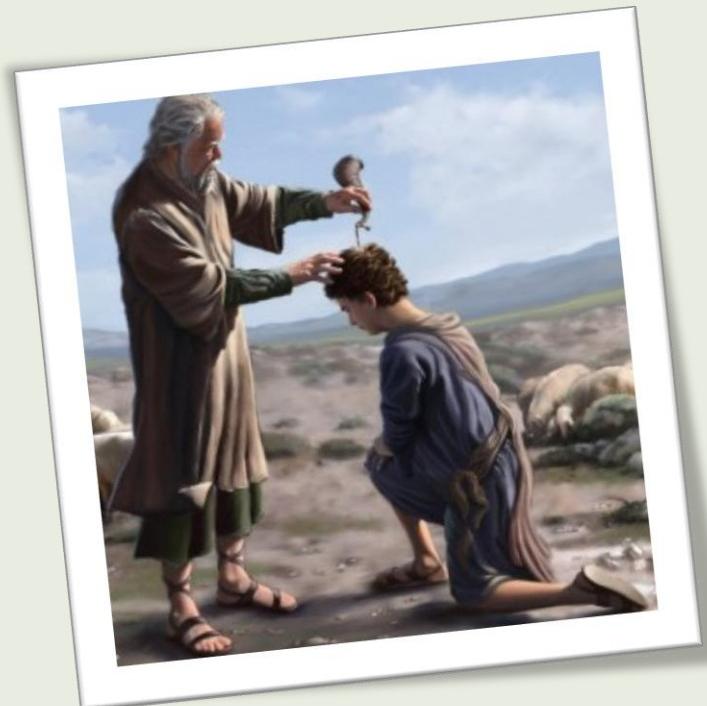

hen you have the disciplined life, your body will be the healthy and holy. When we **W**live to glorify the God through our bodies, the next stage in our life will be the body of glory. One pioneer missionary named Francis Xavier all the way came from the Spain came to India and served the Lord. He spent all of his youth life here and died at the youth stage. He died in the fifteenth century, till today his body was there in the city called Goa. They kept his body in the church with glass box. The great thing here; his body looks like the body of person who died just now. After five hundred and fifty years his body was like this. We can say that God glorified his body.

Coming to my life and the ministry, God is using my body for His services all times with good health. I can say God is glorifying through my body. In the other words He glorified my body.

## **Washed bodies**

**Let us draw near with a sincere heart in full assurance of faith, having our hearts sprinkled clean from an evil conscience and our bodies washed with pure water - Hebrews 10:22**

God said that you must be holy because I am holy. Every child of the God must be holy  
**G**in the body. As we were born in the sin; automatically our body will be the sinful body. Now it must become holy. How we can make the body holy? It can be possible only through the Jesus Christ; His blood will cleanse our total body and make it to be perfect to stand in front of the living God.

Coming to my life and the ministry, I was the sinner and did all kinds of sin in my life. I was cleaned in the blood of Jesus, when I accepted Jesus Christ as my personal savior in the year 1972, February; at 7:30 pm. He cleaned my entire life and the body to live for Him as the living vessel.

## **Bodies as living sacrifice**

**Therefore I urge you, brethren, by the mercies of God, to present your bodies a living and holy sacrifice, acceptable to God, which is your spiritual service of worship - Romans 12:1**

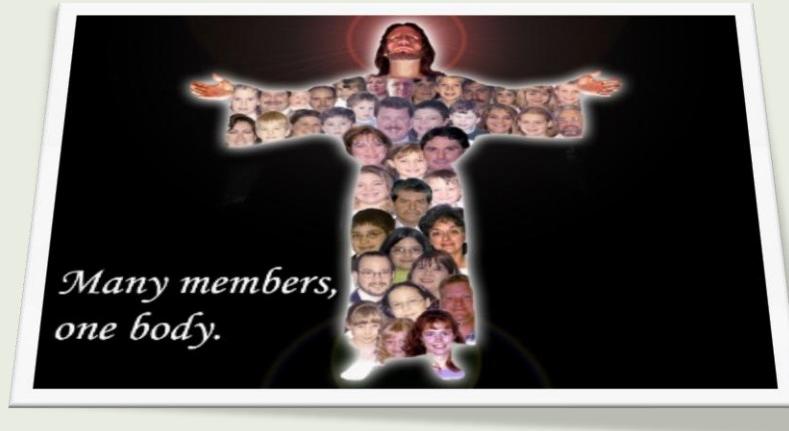

**T**he person in the Christ is the new creation. Once we accept Jesus Christ as the personal savior, we are the new creation. It means the past has gone and everything became new. The new means make our bodies as the living sacrifice to the living God. We need not follow the systems of this world any more. Our bodies must be glorify the living God. We are no more to give our bodies to this world or to the worldly things.

**Coming to my life and the ministry, when I accepted Jesus Christ as my personal savior, from that day onwards, I gave my body to the living God as the living sacrifice.**

## Bodies are members of Christ

**Do you not know that your bodies are members of Christ? Shall I then take away the members of Christ and make them members of a prostitute? May it never be -1 Corinthians 6:15?**

e are in the body of Christ as the members. In the other words we are the part of the  
**W**Christ body. We have no right to use our body as we like. We are subjected to the living God for everything. Lot of people by ignoring this fact, they did as they like with their bodies and destroy themselves and end up their lives in the pathetic way.

Coming to my life and the ministry, I always keep this in my mind that I am the part in the body of Christ. Wherever I go; I always feel that the Christ Jesus is following with me. I live alone in my house, when walk in the house; I feel that Jesus walking with me. When I sleep on the bed; when turn this or that side; I use to see Jesus sleeping by the side of me. I always feel the presence of the God with me. That kind of life conform again and again that I am the part of the Christ Jesus.

## **Keep the tongue perfect**

**The tongue is a fire, the very world of iniquity; the tongue is set among our members as that which defiles the entire body, and sets on fire the course of our life, and is set on fire by**

**hell - James 3:6**

**T**ongue is the very important part in the body. It's very powerful part in the body. It got the power to destroy the families and the also the kingdoms. In this present world, it is disturbing the families and the congregations. Many times Preachers also were falling in this sickness to preach unwanted things to disturb the congregation. It's also happening within the families, somebody in the family takes this job to disturb the entire family.

**Coming to my life and the ministry, I was so week in the beginning days of life. When I came to the ministry, God taught many things through the experience to control the tongue. In these days God is using my tongue in the perfect way to bring the people to His kingdom. In Jesus only we can have the perfect tongue.**

## **Wonderful are your works**

**For You formed my inward parts; You wove me in my mother's womb. I will give thanks to You, for I am fearfully and wonderfully made; Wonderful are Your works, And my soul knows it very well. My frame was not hidden from You; When I was made in secret, And skillfully wrought in the depths of the earth;read more.-Psalm 139:13 – 16**

his book based on these verses. The works of the living God were wonderful. No human can explain those things; those things are above to the human knowledge. Till today the doctors and the scientists do not know about certain parts of the body; that why they were created.

I myself wonder by thinking about the human body. I was really inspired a lot to write this book. My question always in myself that how God was designed this human body? He is the great designer of the human body. John Milton mentioned in his writings; that the Lucifer were admired the creation of the Living God.

## **Holy Spirit in our body**

**Or do you not know that your body is a temple of the Holy Spirit who is in you, whom you have from God, and that you are not your own? -1 Corinthians 6:19**

Everyone must remember one thing that Holy Ghost love to live in our bodies. In the beginning the Adam and the Eve lost the Holy Ghost by disobeying the Gods command. Jesus cleaned our bodies with His blood and made the way for us to have the Holy Ghost in us. In the other way it was mentioned in the scriptures that the Holy Ghost love to dwell in our bodies. It's also mentioning that we are the temples of the Living God.

Coming to my life and the ministry, I had this experience. When I accepted Jesus Christ as my personal savior in the year 1072, that was the time that the Holy Ghost came into my heart and dwelling and guiding me in every area in my life. And also using me the way He likes to reach the un-reached.

## **God knows us before He made**

**Before I formed you in the womb I knew you, and before you were born I consecrated you;**

**I have appointed you a prophet to the nations - Jeremiah 1:5**

Here God mentioning that He knows us; before He made us in the mother's womb. It's true and also the acceptable, because we have seen many people like this in the Bible history and also in the present generations. If we go through the Bible history; it's happened in the life of Jeremiah.

Coming to my life and the ministry, it's happened to me and also in the life of my one only son. We were chosen from the mother's womb itself to do His ministry. We were obedient for that call and doing the wonderful and the wider ministry which is pleasing to the Living God.

# **What is the design of God about human body?**

## **Honoring God with body**

**Do you not know that your bodies are temples of the Holy Spirit, who is in you, whom you have received from God? You are not your own; you were bought at a price. Therefore**

**honor God with your bodies - 1 Corinthians 6:19 – 20**

**W**e all bond to honor the living God with our bodies. There is no other thing for us to do than this. But many people are in the thinking that we need to enjoy with this body to fulfill the evil desires. The people who did not realized that they are Gods property, were destroyed themselves.

Coming to my life and the ministry; one of our church members, who was in the worldly life, use to tell the people to enjoy their lives as you like. It told him many times that's not the right life. In the early stage in the life; he became sick and joined in the hospital. I went and counseled him to repent for his sins and accept Jesus as the personal savior. That's not worked out. After some time in the life; he was admitted again in the hospital. Doctors told him there is no use of giving treatment. They sent him to home to wait for the death. One fine night he called me in phone and told me that he is dying and asked me to pray for him. I prayed and told him to repent for his sins. He did that and lost the breath. He was unable to honor the God with his body, which led him to the death in the early stage of the life. He was died at the age of 42 years. I want to suggest the people who are reading this book, please keep the fear of the lord and dedicate your life with bodies to the living God and give honor to God through your body.

## **Do not destroy the body**

**Don't you know that you yourselves are God's temple and that God's Spirit dwells in your midst? If anyone destroys God's temple, God will destroy that person; for God's temple is sacred, and you together are that temple -1 Corinthians 3:16 – 17**

his is very important thing to know for every child of the God. In the Bible history we have seen many people destroyed themselves by spoiling the living temple of God.

“Uzziah, who had a cancer in his hand ready to burn incense, became angry. While he was raging at the priests in their presence before the incense altar in the LORD's temple, leprosy broke out on his forehead - 2 Chronicles 26:19” we can see this kind of things are happening even in these days. Some people try to destroy the temple of God. Many died and many were destroyed by doing this kind of things. We can see many stories in the Bible that how the people destroyed by touching the temple of God.

Coming to my life and the ministry, I have seen this kind of things in our ministry. Church is growing day by day in the number and the spirit. The evil leaders and the people of the city tried to stop our church. They used all kinds of attacks on us. The result for those attacks; four teachers were died all of sudden and the leader also died. That was the great testimony in the city; that the God will destroy the people who tried to destroy the temple of God. For the result of their attacks the church was developed in the number and the spirit rapidly. We have seen the fulfillment of the scriptures in our ministry life. This is what happened in our ministry. But we have seen many incidents like this around our country. In the past God removed the governments for these reasons. God always protect His temple. We can see this kind of experiences for every church in the world.

## **Pleasing God with body**

**Therefore, I urge you, brothers and sisters, in view of God's mercy, to offer your bodies as a living sacrifice, holy and pleasing to God this is your true and proper worship. Do not conform to the pattern of this world, but be transformed by the renewing of your mind.**

**Then you will be able to test and approve what God's will is his good, pleasing and perfect**

**will -Romans 12:1 – 2**

e as the children of God need to please God with these bodies. We go through the **W**Bible history; the people left their rich lives and dedicated to God themselves to do His ministry. If we go through the Hebrews chapter eleven, there the believers lived for the living God by left their worldly rich lives and the greatness. They face the troubles and the trails for the sake of the ministry, and in the final they said that this world is not worthy for them. We can see that in detail in below passage.

Who through faith conquered kingdoms, administered justice, and gained what was promised; who shut the mouths of lions, quenched the fury of the flames, and escaped the edge of the sword; whose weakness was turned to strength; and who became powerful in battle and routed foreign armies. Women received back their dead, raised to life again. There were others who were tortured, refusing to be released so that they might gain an even better resurrection. Some faced jeers and flogging, and even chains and imprisonment. They were put to death by stoning; they were sawed in two; they were killed by the sword. They went about in sheepskins and goatskins, destitute, persecuted and mistreated the world was not worthy of them. They wandered in deserts and mountains, living in caves and in holes in the ground. These were all commended for their faith, yet none of them received what had been promised, since God had planned something better for us so that only together with us would they be made perfect – Hebrews 11:33 - 40

## **Spiritual body**

**It is sown a natural body, it is raised a spiritual body. If there is a natural body, there is**

**also a spiritual body - 1 Corinthians 15:44**

**ere we will see the two types of the bodies. First one is the natural body; the second**

**H**one is the spiritual body. A person who is born through the mother's womb; we called as the natural body. Through the re-born experience we will have the spiritual body.

The scriptures were very clear about the re-born experience.

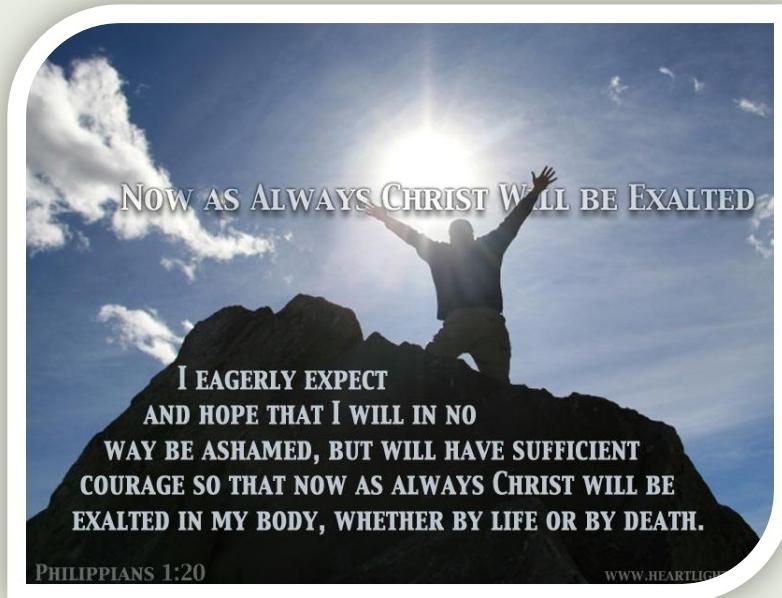

**Jesus said like this: Very truly I tell you, no one can enter the kingdom of God unless they are born of water and the Spirit. Flesh gives birth to flesh, but the Spirit gives birth to spirit. You should not be surprised at my saying, you must be born again.**

**Coming to my life and the ministry, I had this experience. I was born through my mother's womb; that was the natural body. In the year 1972, I had the re-born experience. It means, I have accepted the Jesus Christ as my personal Savior. There I got the spiritual body. As the scripture says, we are new creation.**

## **Christ will exalted in body**

**I eagerly expect and hope that I will in no way be ashamed, but will have sufficient courage so that now as always Christ will be exalted in my body, whether by life or by death.-**

**Philippians 1:20**

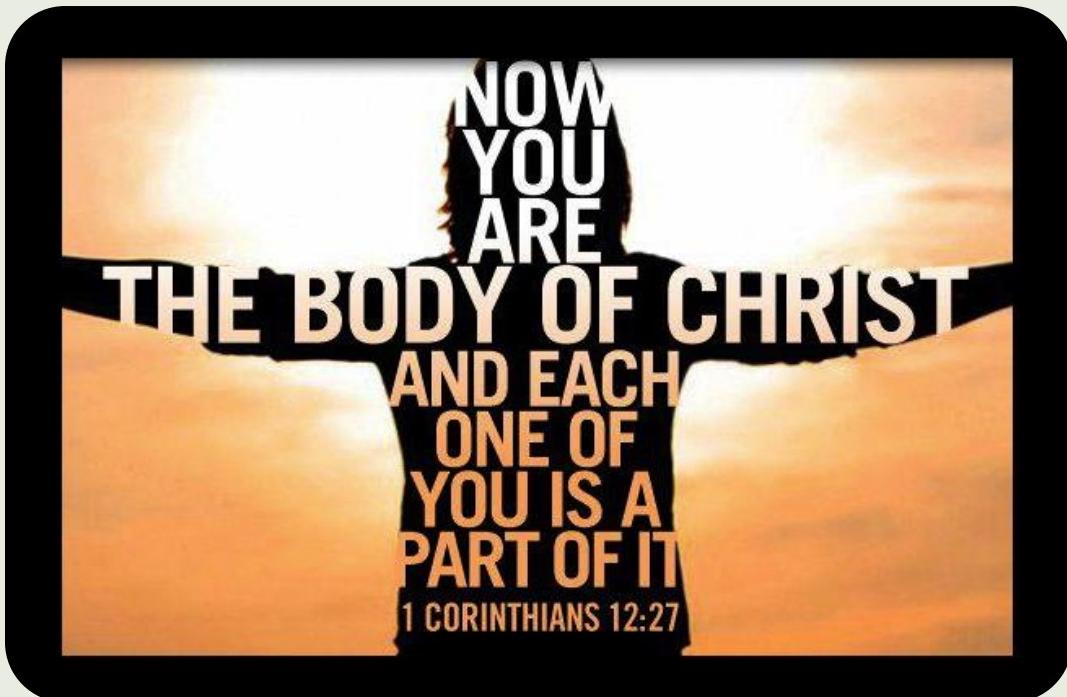

Here we can see the statement of St. Paul that how he loves to exalt Christ Jesus in his life. It's not only for the Paul but also for every child of God. Every child of the living God must exalt the Christ Jesus in their lives. Unfortunately most of the Christians are in these days bringing the bad name to the God. Scriptures told about this kind of people well in advance. "As it is written: "God's name is blasphemed among the Gentiles because of you -

**Romans 2:24"**

Coming to my life and the ministry, I always mention in my sermons, come and enquire about me where I am living. If a single person gives the bad report in that area, I don't preach any more. It says; I am always exalting the Christ Jesus through my life.

## We are body of Christ

Now you are the body of Christ, and each one of you is a part of it - 1 Corinthians 12:27

Once we accepted the Jesus as our personal savior, we will become the new creation. First time the people of Antioch called as the Christians. "When he found him, he brought him to Antioch. So for a whole year Barnabas and Saul met with the church and taught great numbers of people. The disciples were called Christians first at Antioch - Acts 11:26"

When people see your body, they have to see the Christ in that. We became the part in the body of Christ.

Coming to my life and the ministry, every day in the early morning prayers, I always ask Jesus to bless me and let thy light shine through me and the let thy power pass through me. It says I love to be the part of the body in Christ Jesus.

## Made by God

**Know that the LORD is God. It is he, who made us, and we are his; we are his people, the sheep of his pasture - Psalm 100:3**

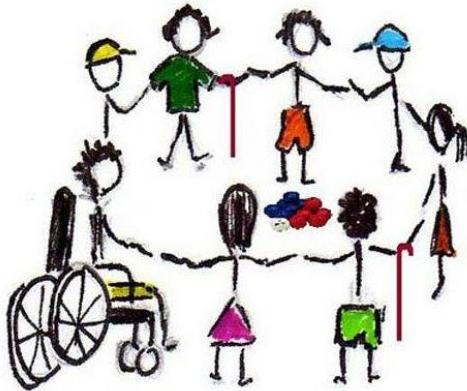

e are all made by the living God. Every human must know this truth. God made the **W**human in His own image. When I see the glory of human body, I really praise God with full heart and mind including the soul. No human made another human. This is the main reason of writing this book. The doctors or the scientists wonder for the creation of God. As the matter of fact they still do not know why God made certain parts in the body. It's very clear cut that we were made by the God to live according to His will and the purpose. Because we were made by the God we have no right to use this body as we like. We are answerable to the God regarding this body.

Coming to my life and ministry, I always remember myself that I was made by Living God to live for His glory and also please Him through this body.

## Functions of body

For just as each of us has one body with many members, and these members do not all have the same function - Romans 12:4

### Romans 12:4-5

Just as our bodies have many parts and each part has a special function, so it is with Christ's body. We are many parts of one body, and we all belong to each other.

We are all like the body parts in the Christ Jesus. Every part was created for certain reasons. Everyone will have their own mission. It's not that everyone will be on the same job. The works also divided for each and individual. So everyone is subjected for their own job. When every person does his own work like the part in the body; there will be no problem. In these days we will see the problems in the family and also in the church. The reason for this is that everyone must mind their own work. When they fail to do so, the problem will raise.

## Nations from body

**God said to him, I am God Almighty; be fruitful and increase in number. A nation and a community of nations will come from you, and kings will be among your descendants. The land I gave to Abraham and Isaac I also give to you, and I will give this land to your descendants after you - Genesis 35:11 – 12**

Here we can see the blessings of Abraham. God made the covenant with Abraham that **H**the kings and the nations will come from him. Through him and the children and their children the great generations were come. Isaac became the great generation. Ishmael became another generation. Coming to the Isaac's children, Esau and the Jacob became two generations. From one body many generations were developed. That was the covenant that God has given to him. That covenant was fulfilled by the development of the deferent generations.

# **Where the human failed from Gods plan**

## **Failing to do well**

**They have all turned aside, together they have become corrupt; There is no one who does good, not even one - Psalm 14:3**

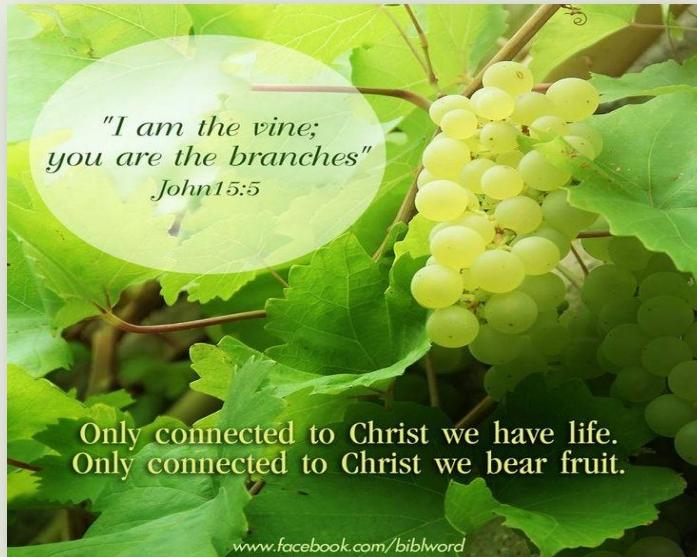

**Here we can see the human turned aside from the living God. When human go away from the God; automatically they will become corrupt. They will do the evil in the natural way. We can see this kind of situation took place in the lives of Adam and Eve. Because of their disobedience they have gone away from the living God. When we came to New Testament, the scriptures saying like this; “May God himself, the God of peace, sanctify you through and through. May your whole spirit, soul and body be kept blameless at the coming of our Lord Jesus Christ - 1 Thessalonians 5:23”**

**Coming to my life and the ministry, every day in my daily prayers at morning 4:30 am, I use to remember the above Bible verse, asking God to keep me holy in the body; spirit and in the life. I don't want to go away from the God at any time.**

## Abide in God

If anyone does not abide in Me, he is thrown away as a branch and dries up; and they gather them, and cast them into the fire and they are burned - John 15:6

e need to abide with the living God all the times. Our spiritual growth and the  
**W**protection will be there in the God only. When we abide in the God; we will grow in  
the spiritual life. We will also have the fruit full life. If we do not abide with the  
God; there is danger for the fall and destroy in the life. There are many people gone away  
from the living God destroyed themselves. There is a saying; "If you lose Jesus; you will  
lose everything" "Enoch walked faithfully with God; then he was no more, because God  
took him away - Genesis 5:24" Enoch was abided in the God that led him go with Him.

Coming to my life and the ministry, I always check myself to be with God. I know without  
God I can do nothing. My breath is in Jesus; my life is in Jesus. In one word I can say Jesus  
is everything to me. Because of this reason, I always abide in God.

## Guarding body

You therefore, beloved, knowing this beforehand, be on your guard so that you are not carried away by the error of unprincipled men and fall from your own steadfastness - 2

Peter 3:17

e need to guard our bodies from the wrong teachings. There are many unrighteous  
**W**things happening around us. We must careful about every teaching and also the people. What we listen and guided by the people will act on the body. When you adopt the evil teachings in your life, the body will act according to those teachings. What all the evil thing we adopt, the body will become the victim for that evil work. If we watch the youth around the globe, most of them were spoiling through the evil teachings. Coming to my life and ministry, from the beginning, God protected me not to fall in any kind of the evil friendships or the evil teachings. Because of the Gods protection and the guidance, I was able to live as the living vessel for Him. As I have protected my body through the Gods help, I am having the healthy body till today, even in these sixty six years of age.

## **Believing through body**

**Take care, brethren, that there not be in any one of you an evil, unbelieving heart that falls away from the living God - Hebrews 3:12**

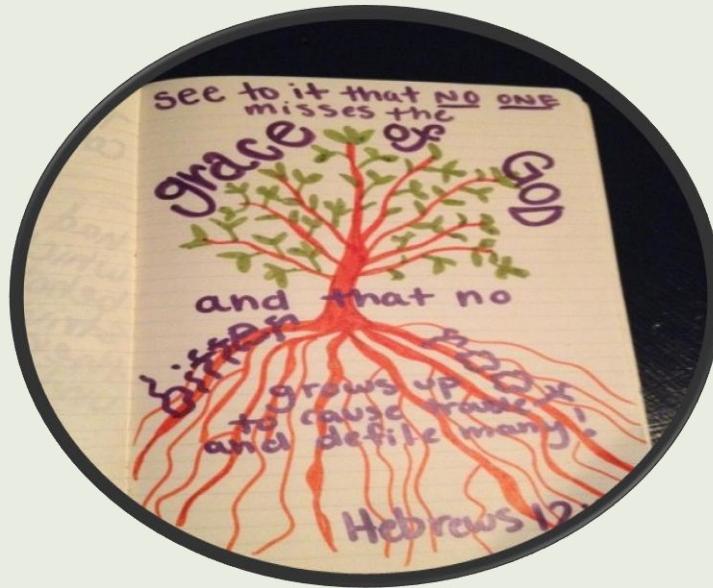

**Y**ou must believe the living God with full heart and soul. In the human life the heart will play the important roll. You must be careful in your life that your heart should not leave God. When you have no God in your heart, there will be every possibility for the evil spirits and the evil things to enter. When the evil enter into your heart, you will be under the control of those evils. Those evil lead you to the destruction.

Coming to my life and the ministry, from the beginning God gave the awareness to keep myself away from the evil people and the evil spirits to live for His glory.

## Remove bitterness from body

See to it that no one comes short of the grace of God; that no root of bitterness springing up causes trouble, and by it may be defiled - Hebrews 12:15

We must be careful about the bitter roots in the body. There many bitter roots which are spoiling the human. A bitter root means not real roots. These bitter roots are the evil things and the evil desires. In the other words we can say the world and the wordiness'. What is in the world? "Everything in the world the lust of the flesh, the lust of the eyes, and the pride of life comes not from the Father but from the world - 1 John 2:16." So the bitter roots and the evil desires of this world must be removed from our lives to live for the living God as the living vessels.

Coming to my life and the ministry, I have seen this kind of bitter roots in my youth life, but after accepting Christ Jesus as my personal savior in the year 1972, God helped me to come out from all of those bitter roots.

## **Beauty of body**

**Abraham said, "Because I thought, surely there is no fear of God in this place, and they**

**will kill me because of my wife - Genesis 20:11**

Here we can see the beauty of the human body and the problems through that. There is nothing wrong to have the beauty, but there are problems with that. What the Bible says about the beauty? “Charm is deceitful, and beauty is vain, but a woman who fears the Lord is to be praised - Proverbs 31:30” there are many God’s servants also look for this worldly beauty. Coming to the end; they will end up with bitter experiences. We need the beauty of the spirit. “A woman who fears the Lord is to be praised”

When the time of marriage came into my life, I have not looked for the beauty of the woman. I asked the God to give a wife; who can help me in the ministry till the end. God honored my request and gave the wife who is with me in the ministry. For this reason the ministry also growing rapidly.

## **God provides**

**If God so clothes the grass of the field, which is alive today and tomorrow is thrown into the furnace, will He not much more clothe you? You of little faith - Matthew 6:30**

Here we can see how the God feeds His children. Many times we will depress about our poverty. God is the good provider. We can see many stories in the Bible history. When Elijah was at the river side, God provided the food for him for many days. Here we are seeing a single person. Let's go to the life of Israelites; forty years God fed them in the wilderness. “The young lions do lack, and suffer hunger: but they that seek the LORD shall not want any good thing - Psalm 34:10”

oming to my life and the ministry, I had many experiences like this in my life. One fine **C**day we have no food in the house. By that time my only son was little boy. He was asking me daddy we need food. I told him that God will send food. That's the lunch time. He was asking me repeatedly by showing the time. I am telling him God will send. That was exactly around 12 pm, one of our church members came with food for us. I had many experiences like in my life.

# **Human to live according to the Gods plan**

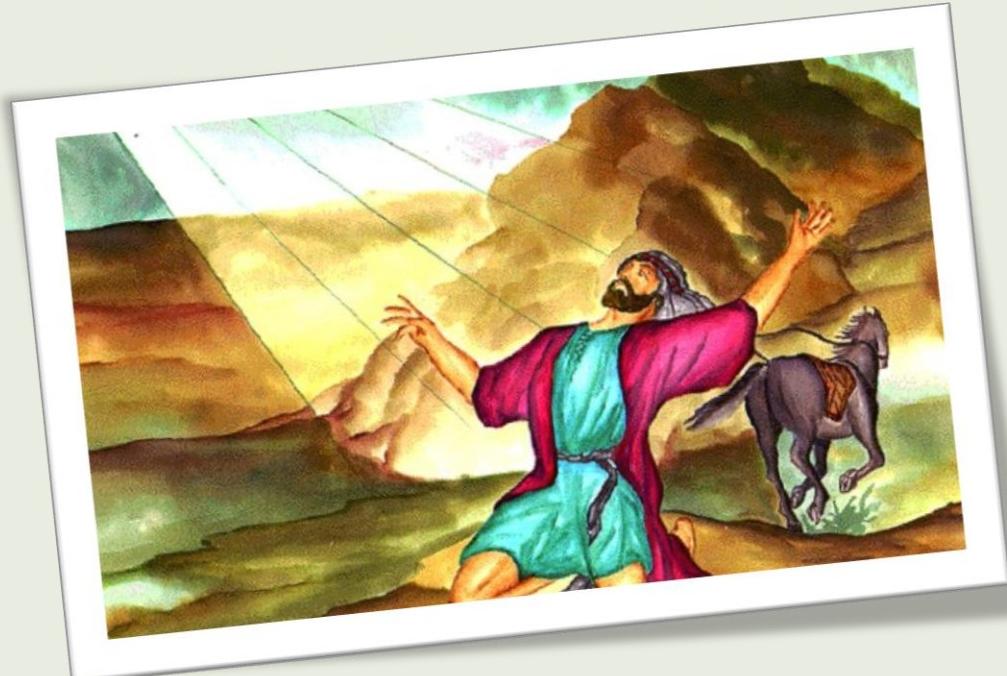

## **God will assign the job**

**Get up; the Lord said, and go into Damascus. There you will be told all that you have been assigned to do - Acts 22: 10**

We shall base this study upon the question asked by Saul of Tarsus at the very moment of his new birth: “What shall I do, Lord?” Did Saul’s conversion just “happen”? Was it by “chance” that he was suddenly converted on the Damascus road, or was it according to a divine plan and purpose?

**The Lord said to Ananias, “Go! This man is my chosen instrument to proclaim my name to The Gentiles and their kings and to the people of Israel - Acts 9:15**

## **Saul’s Conversion**

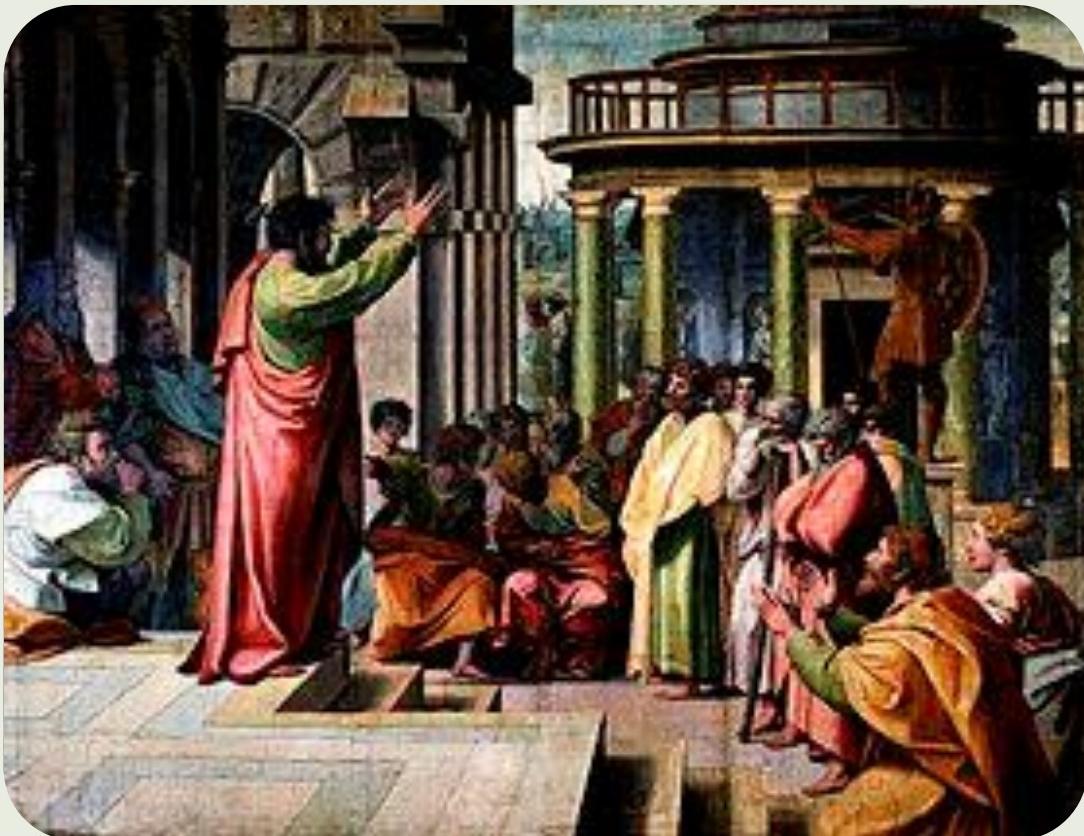

eanwhile, Saul was still breathing out murderous threats against the Lord's disciples.

**M**He went to the high priest and asked him for letters to the synagogues in Damascus, so that if he found any there who belonged to the Way, whether men or women, he might take them as prisoners to Jerusalem. As he neared Damascus on his journey, suddenly a light from heaven flashed around him. He fell to the ground and heard a voice say to him, "Saul, Saul, why do you persecute me?" "Who are you, Lord?" Saul asked. "I am Jesus, whom you are persecuting," he replied. "Now get up and go into the city, and you will be told what you must do." The men traveling with Saul stood there speechless; they heard the sound but did not see anyone. Saul got up from the ground, but when he opened his eyes he could see nothing. So they led him by the hand into Damascus. For three days he was blind, and did not eat or drink anything. In Damascus there was a disciple named Ananias. The Lord called to him in a vision, "Ananias!" "Yes, Lord," he answered. The Lord told him, "Go to the house of Judas on Straight Street and ask for a man from Tarsus named Saul, for he is praying. In a vision he has seen a man named Ananias come and place his hands on him to restore his sight." "Lord," Ananias answered, "I have heard many reports about this man and all the harm he has done to your holy people in Jerusalem. And he has come here with authority from the chief priests to arrest all who call on your name." But the Lord said to Ananias, "Go! This man is my chosen instrument to proclaim my name to the Gentiles and their kings and to the people of Israel. I will show him how much he must suffer for my name." Then Ananias went to the house and entered it. Placing his hands on Saul, he said, "Brother Saul, the Lord Jesus, who appeared to you on the road as you were coming here has sent me so that you may see again and be filled with the Holy Spirit." Immediately, something like scales fell from Saul's eyes, and he

could see again. He got up and was baptized, and after taking some food, he regained his strength.

Above scripture tells us that it certainly was “according to plan” God’s plan.

God has His own plans in everyone’s life. As the matter of fact God chose the people from the birth and make the plans according to that. If we see the life of Paul, God had a plan for him to visit the Damascus, as the matter of fact Paul do not know there he is going encounter the Christ Jesus and his whole life will be transformed as an Apostle to the living God. In the same way we can see many people in the Bible history and also the present world that how God planed in someone’s life.

## Peter at Cornelius's House

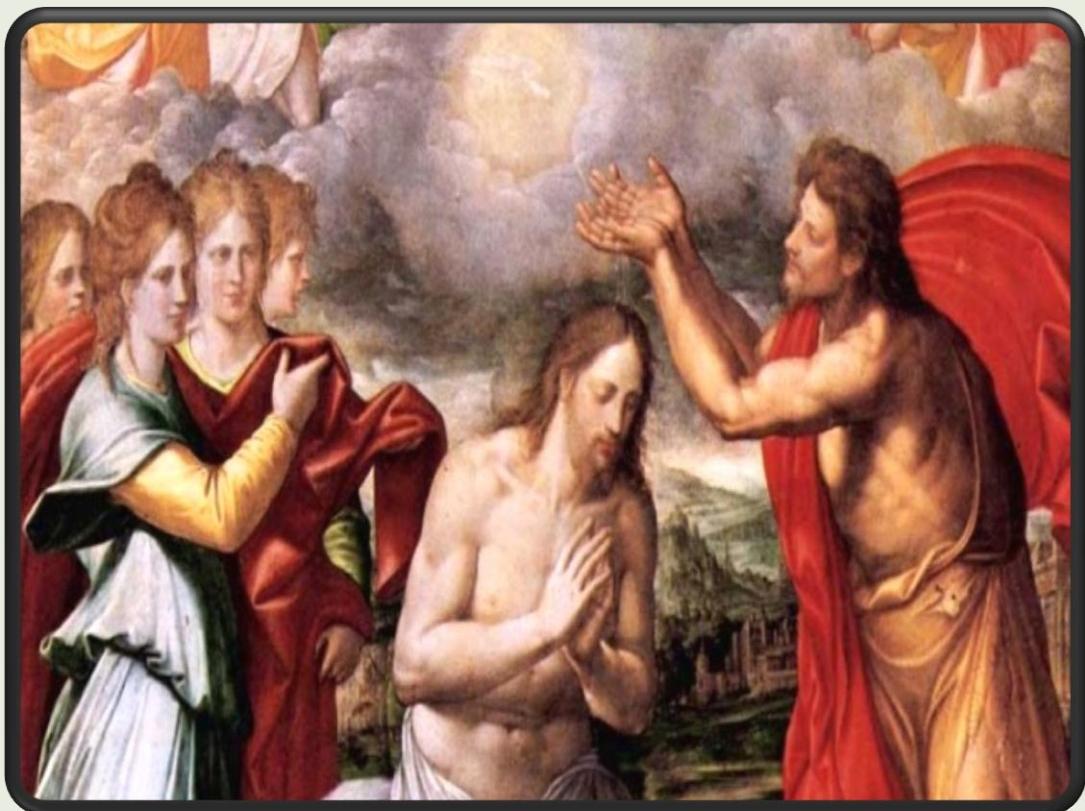

Here we can see how God assign the job for His servants. He asked Ananias to go and **H**pray for Paul. God did this kind of assignments in many people's lives. God sent Peter to Cornelius house for their salvation. Peter followed the directions of the God to reach Cornelius house to present the Christ Jesus to them. Here we can a wonderful thing, that those people were baptized in the same night itself.

The next day Peter started out with them, and some of the believers from Joppa went along. The following day he arrived in Caesarea. Cornelius was expecting them and had called together his relatives and close friends. As Peter entered the house, Cornelius met him and fell at his feet in reverence. But Peter made him get up. "Stand up," he said, "I am only a man myself." While talking with him, Peter went inside and found a large gathering of people. He said to them: "You are well aware that it is against our law for a Jew to

associate with or visit a Gentile. But God has shown me that I should not call anyone impure or unclean. So when I was sent for, I came without raising any objection. May I ask why you sent for me?" Cornelius answered: "Three days ago I was in my house praying at this hour, at three in the afternoon. Suddenly a man in shining clothes stood before me and said, 'Cornelius, God has heard your prayer and remembered your gifts to the poor. Send to Joppa for Simon who is called Peter. He is a guest in the home of Simon the tanner, who lives by the sea.' So I sent for you immediately, and it was good of you to come. Now we are all here in the presence of God to listen to everything the Lord has commanded you to tell us." Then Peter began to speak: "I now realize how true it is that God does not show favoritism but accepts from every nation the one who fears him and does what is right. You know the message God sent to the people of Israel, announcing the good news of peace through Jesus Christ, who is Lord of all. You know what has happened throughout the province of Judea, beginning in Galilee after the baptism that John preached how God anointed Jesus of Nazareth with the Holy Spirit and power, and how he went around doing good and healing all who were under the power of the devil, because God was with him.

"We are witnesses of everything he did in the country of the Jews and in Jerusalem. They killed him by hanging him on a cross, but God raised him from the dead on the third day and caused him to be seen. He was not seen by all the people, but by witnesses whom God had already chosen by us who ate and drank with him after he rose from the dead. He commanded us to preach to the people and to testify that he is the one whom God appointed as judge of the living and the dead. All the prophets testify about him that everyone who believes in him receives forgiveness of sins through his name." While Peter was still speaking these words, the Holy Spirit came on all who heard the message. The

circumcised believers who had come with Peter were astonished that the gift of the Holy Spirit had been poured out even on Gentiles. For they heard them speaking in tongues[b] and praising God. Then Peter said, “Surely no one can stand in the way of their being baptized with water. They have received the Holy Spirit just as we have.” So he ordered that they be baptized in the name of Jesus Christ. Then they asked Peter to stay with them for a few days.

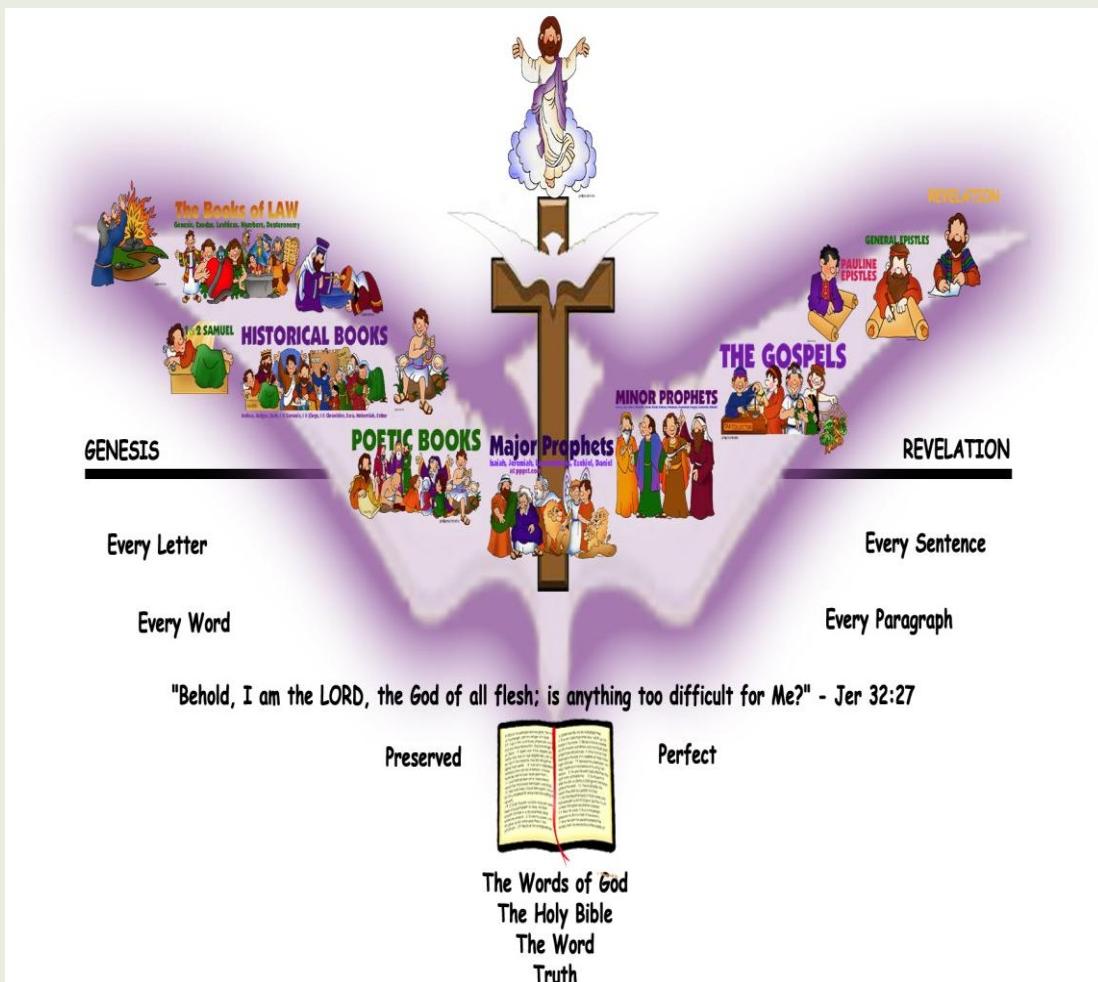

# God has a definite plan and purpose for the life of every one of His children

There are three strong reasons

## Reason one

It is reasonable to expect it. God is a God of order and method

## **Reason two**

**If we are building a house or designing a dress, we work according to a plan, a pattern.**

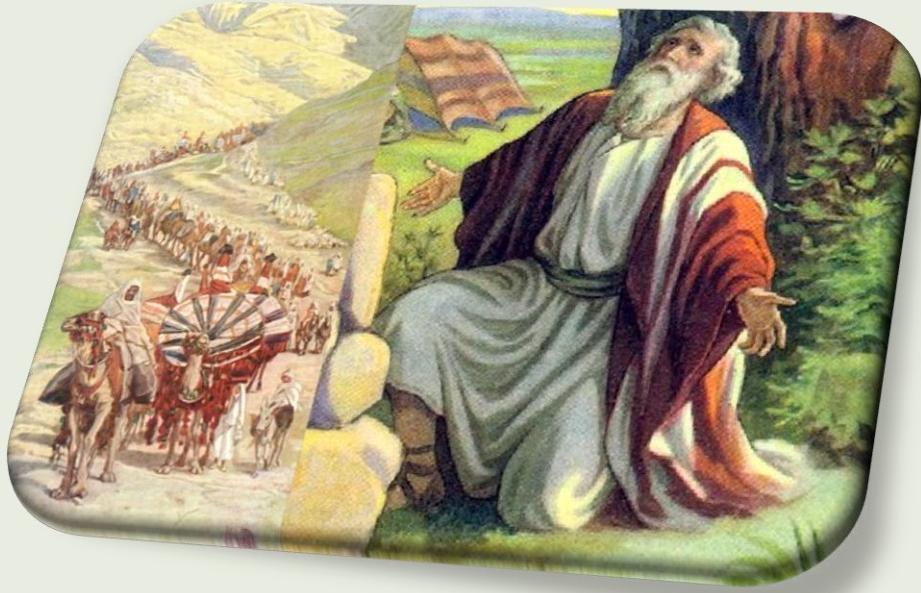

## **Reason three**

**God does the same. It is according to experience.**

## Abraham

**By faith Abraham, when called to go to a place he would later receive as his inheritance, obeyed and went, even though he did not know where he was going. By faith he made his home in the Promised Land like a stranger in a foreign country; he lived in tents, as did Isaac and Jacob, who were heirs with him of the same promise. For he was looking forward to the city with foundations, whose architect and builder is God -Hebrews 11:8-10**

If we go through the life of Abraham, he believed in the promises of the God and he obeyed for that. He does not know where he is going, but he knows that God will lead him to the Promised Land. Same way he believed about the promised son. By that time he was an old man and the Sara's womb was dead as she was the old. The bodily blessings were depending upon the living God's plan and the purpose. The covenant made by the God towards Abraham was fulfilled and became the great nation.

## Moses

By faith Moses, when he had grown up, refused to be known as the son of Pharaoh's daughter. He chose to be mistreated along with the people of God rather than to enjoy the fleeting pleasures of sin. He regarded disgrace for the sake of Christ as of greater value than the treasures of Egypt, because he was looking ahead to his reward. By faith he left Egypt, not fearing the king's anger; he persevered because he saw him who is invisible -

**Hebrews 11:24 – 27**

Moses life teaches us many things. He was Jew, but he brought up at kings house. In the body he is the Jew. When he came to know that truth, he denied the riches of the King Pharaoh. He treated the riches of the Egypt as the temporary. Here we can also see the plan and purpose of the God in the life of Moses. God trained him at the house of the king to make him as the powerful leader. As the matter of fact he do not know during the time of youth and also life at kings palace; that he was the Jew. This is the way God do His works according to His plans and the purpose.

## David

Now then, tell my servants David, this is what the Lord Almighty says: I took you from the pasture, from tending the flock, and appointed you ruler over my people Israel - 1

Chronicles 17:7

ere we will see the plan and the provision of God in the life of David. He was the **H**shepherd boy; in that time God has the plan for him to make as the king of Israelites. Nobody knows that God uses a shepherd boy like this. When Samuel came to the house Jessie to anoint the king for the Israel; he was also surprised to see that a little boy was chosen by the God. If we go through the history, God did this kind of things in many people's lives.

Coming to my life and the ministry, God has chosen me also in the same way. I was the rejected son to my mother and also the rejected brother to my brothers. But as it is the provision of God to make me as the great servant of Him, He made everything to me the way He likes.

## Isaiah

Then I heard the voice of the Lord saying, whom shall I send? And who will go for us? And

I said, "Here am I. Send me - Isaiah 6:8

I heard the voice of the Lord, saying,  
Whom shall I send, and  
who will go for us?

Then said I, Here am I; send me.

Isaiah 6:8 KJV

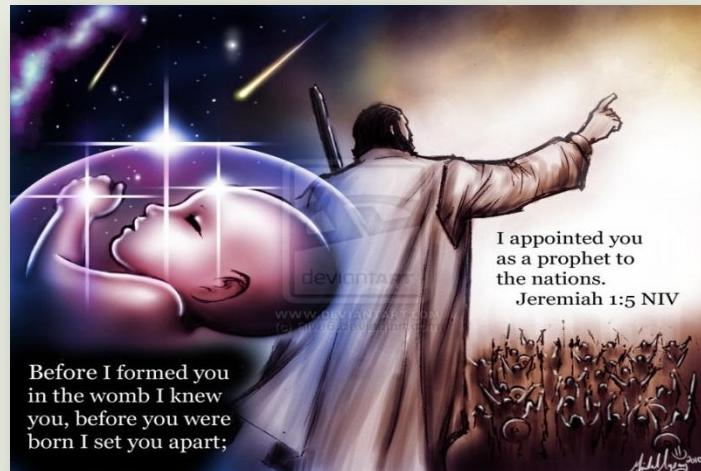

Here we can see the plan and the provision of God towards someone's life. Here God

**H**asking that whom I can send. Immediately the servant of God responded and said to Him that he will go. God chose the people in the deferent ways. In some cases He asked someone come and follow me. If see the lives of Jesus Christ disciples; he called them to make the fishers of men. They were the fisher's men. God kept a challenge in front of the Prophet to admit him-self to accept the call of Him to do His works. The prophet was obedient to the call of God to take up the work.

## Jeremiah

**Before I formed you in the womb I knew you, before you were born I set you apart; I appointed you as a prophet to the nations. Alas, Sovereign Lord, I said, I do not know how to speak; I am too young. But the Lord said to me, “Do not say, ‘I am too young. You must go to everyone I send you to and say whatever I command you. Do not be afraid of them, for I am with you and will rescue you,” declares the Lord - Jeremiah 1:5 – 8**

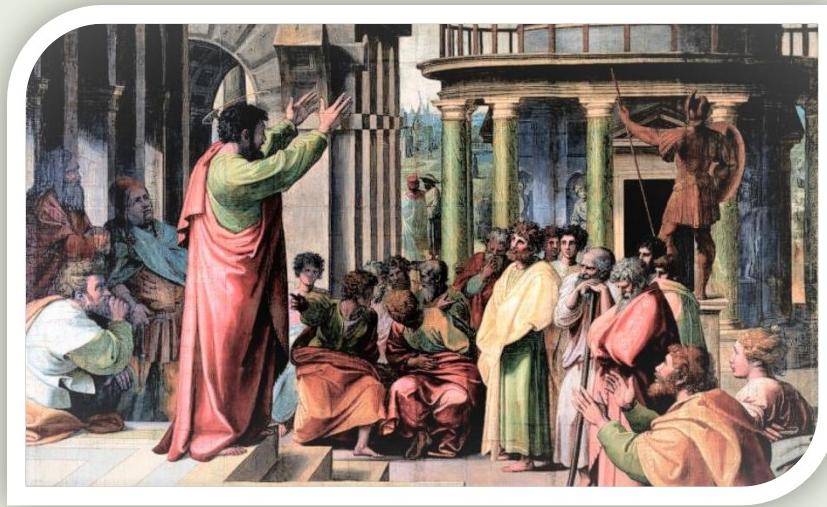

Here we can see the preparation of God towards His servants. God chose the prophet **H** before he was born; as the creation was in His hands. . He does things according to His will and purpose. As the matter of fact, God saw the destruction of the world; before He made it. God do the things before they were created. In this way God was chosen this prophet before he was born.

Coming to my life and the ministry, it was happened the same way. I was the rejected son, but I was in the plans of the God to become the great servant for Him. What God thought about me was happened.

## Paul

**But the Lord said to Ananias, “Go! This man is my chosen instrument to proclaim my name to the Gentiles and their kings and to the people of Israel - Acts 9:15**

hen we go through the life history of Paul; in the early days he persecuted the church. God used the same person for the church to reform. God used him to reach the un-reached. He became the apostle for the gentiles. As he was the highly educated; God used him to write the letters to the church in those days. Those letters are useful to the church even in these days. The point here is, God chosen Paul to use to bring all kinds of people to Christ Jesus. God used him to reach the kings and the leaders including the gentiles. Here we can see the preparation of the Gods projects towards Paul. Coming to my life and the ministry, God used me in the same way. I was the worldly person before accepting Christ Jesus as the personal savior. The knowledge and the experiences of this world is helping me to stand so strong for the Living God. Also those experiences are helping to reach all kinds of people in the society.

## We are the chosen before

We are God's handiwork, created in Christ Jesus to do good works, which God prepared  
in advance for us to do - Ephesians 2:10

**"For we are his workmanship, created in Christ  
Jesus unto good works, which God hath before  
ordained that we should walk in them."**

Ephesians 2:10 (KJV)

© 2010 Lutz Baar. All rights reserved.

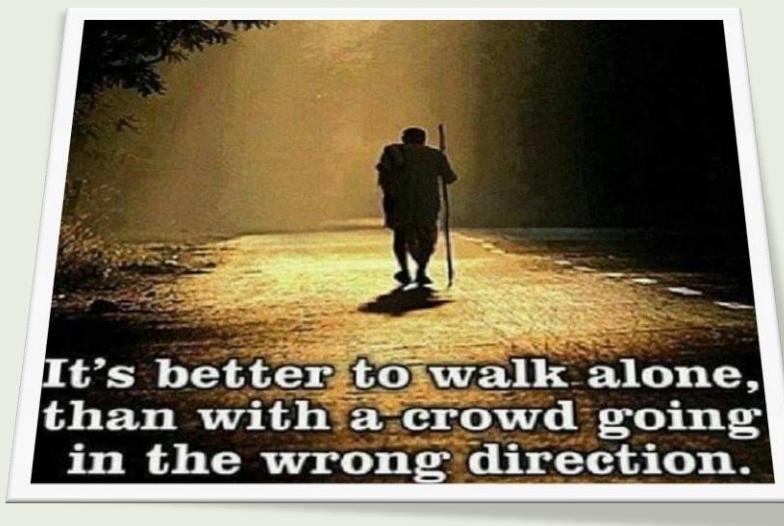

ere we can see that we are all chosen well in advance to live for the Living God and  
**H**also present the good news of Him to the entire mankind. We can see this in the Bible  
history and also in the present world. God created us to do the good things to the  
people that what all He want us to do for them. He had chosen some people for this work.  
So every real servant of the god was chosen by the God in beginning only.

Coming to my life and experience, I defiantly say that God had chosen me before I was  
born for His great works. That I am experiencing all times.

## **Lead me in the right path**

**Teach me your way, LORD; lead me in a straight path because of my oppressors - Psalm**

**27:11**

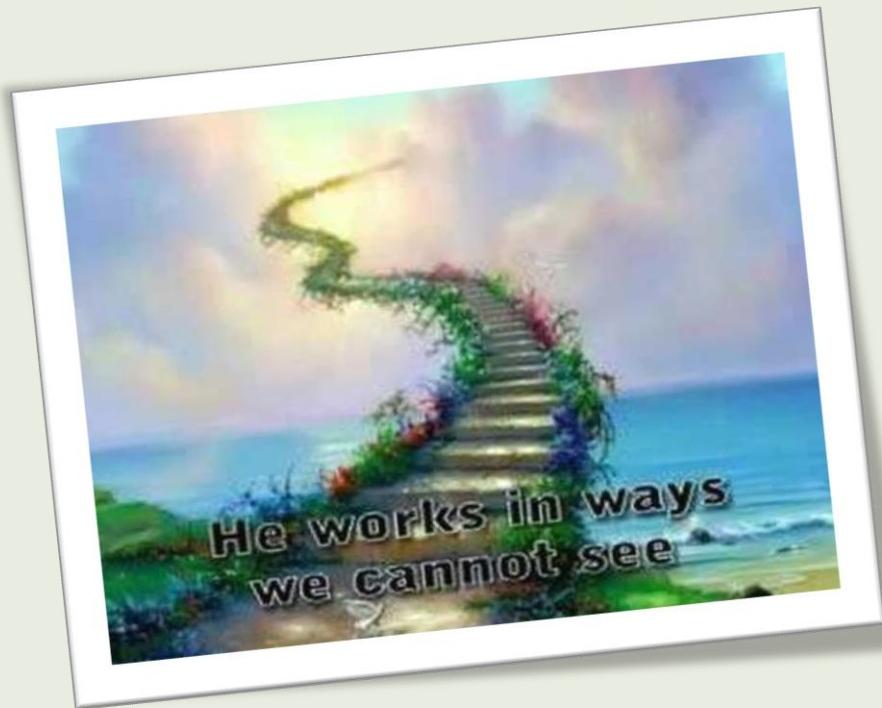

alking for the God is the privilege for someone. Same time it is necessary to walk in **W**the right path. Here the psalmist saying that the people are watching me. God please help to stand for you strong and to walk for you in the right path. We can see this kind of statements in the Bible history. Many God servants were gone away from the paths of God. There every is possibility for the people to go for the wrong paths. The presence of the Living God only leads someone in the right path.

Coming to my life and the ministry, I always pray to God for His guidance in every move. As the matter of fact I do not take any individual decisions myself. I always depend up on the Living God for the right guidance to walk in the right path.

## **God makes ways to walk**

**The steps of a good man are ordered by the LORD: and he delighted in his way - Psalm**

**37:23**

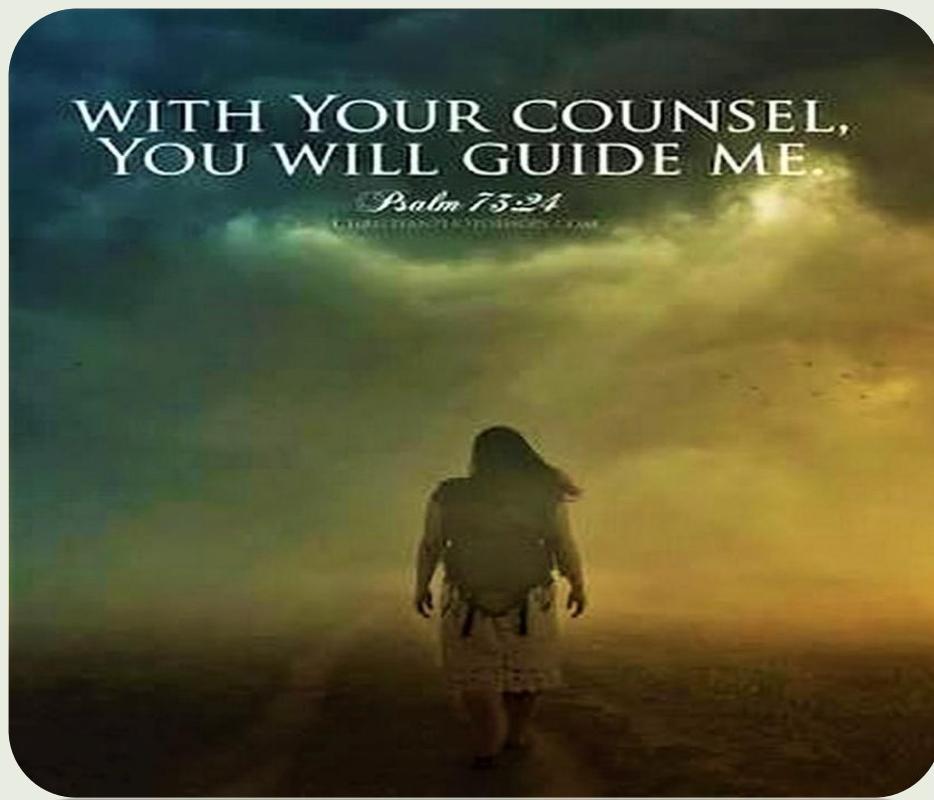

ere we can see the majesty of the living God. Human always do the mistakes. The **H**person who was chosen by the God will stand firm for the God; because the God only makes the ways for him. If we go through the life of Abraham, he followed the paths of the Lord. He never used his own decisions any time in the life. He followed the plans and paths of the Lord; for that reason he was blessed abundantly in every area of his life.

Coming to my life and the ministry, after accepting the Christ Jesus as the personal savior, I never took any personal dissections to go ahead in the ministry and also in the life. For each and everything, I am depending up on the Gods guidance. Because of this kind of life, I have not seen the failures in the entire life.

## God leads us to eternal life

You will guide me with your wise advice, and later you will receive me with honor - Psalm

73:24

God guides us and gives the honor to join with Him in the eternal life. While we are in the flesh, He leads us in right way that He wants us to go. God servants depend on Him for everything. The people who took the wise advice of the living God will be the successes full persons in their life time. The people who dined to take the guidance of God were destroyed in their lives. Coming to my life and the ministry, from the beginning; I got the habit of taking the wise advises from the God to go ahead in the life. This made me successful person in the whole life.

## Accept the Gods guidance

In all thy ways acknowledge him, and he shall direct thy paths - Proverbs 3:6

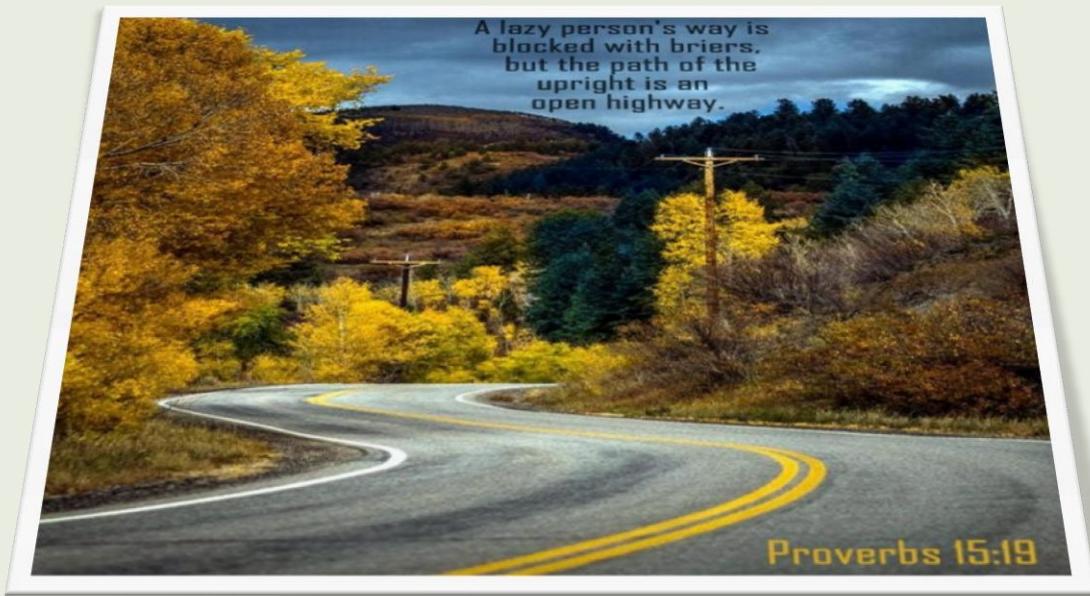

If we observe the life of Abraham, he never took his own plans and the directions to travel in his life. When God guides us, we must accept that. Lot of people has their own plans. Some people give the blue print to God, and ask Him to approve it. We must have the heart to accept God guidance in our entire life. That kind of life leads you to the destiny.

Coming to my life and the ministry, I have traveled around the globe. In every move, I was totally followed the guidance of the living God, which made me to success.

## **God leads in the plain ways**

**The way of the slothful man is as a hedge of thorns: but the way of the righteous is made**

**plain - Proverbs 15:19**

While we are living in this body, we need to keep the righteous life to seek the leading **W**of the living God. Here we need to remember one thing; we need to live according the will of God. The people who are willing to live as the lord leads, there they will have the safe life. They also prosper in their lives. If we go through the Bible heroes lives, they were all led by the God to stand as the living vessels.

Coming to my life and the ministry, the living God is my leader. He led me in the entire life time. Because of that, I was protected in every dangers and the problems.

## Send you as the messenger

Then I heard the voice of the Lord saying, “Whom shall I send? And who will go for us?

And I said, “Here am I. Send me! He said, “Go and tell this people: Be ever hearing, but

never understanding; be ever seeing, but never perceiving - Isaiah 6:8 – 9

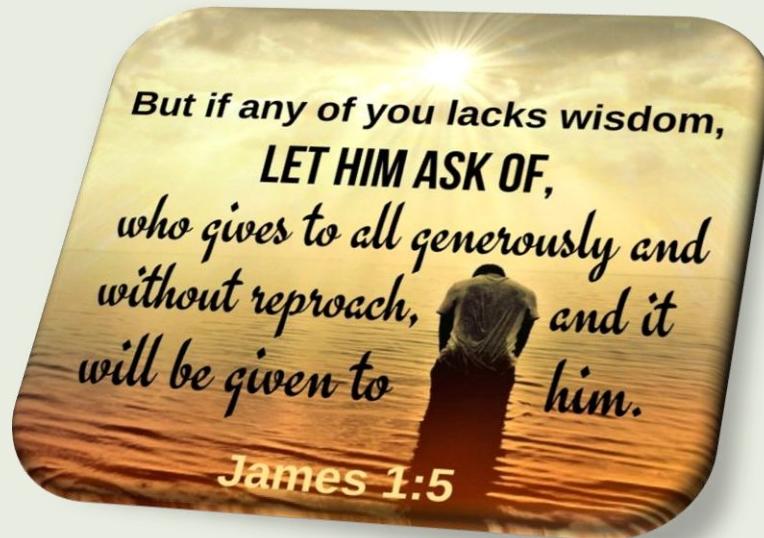

ere God sent this Servant to convey the message to them. God chose this servant and  
**H**also took the willingness of him to do His work. Conveying the message to the people  
is not easy; because that message made them mad. Some people do not surrender to  
the Gods message. God made certain people for this kind of work. We can see this kind of  
things in the Bible history. This kind of things will also happen in these days. Pioneer  
missionaries went to the utter most parts of the world to convey the message of the God.

Coming to my life and the ministry, God used me to convey the message to the people  
around the globe. I was submissive and the sincere to His call to convey the message to the  
entire world.

## Ask God for wisdom

If any of you lacks wisdom, you should ask God, who gives generously to all without finding fault, and it will be given to you - James 1:5

isdom comes from the God. They are many Gods servants were failing due to the  
**W**lack of wisdom. We need to keep fear in the Lord to have the wisdom, the scriptures  
were very clear that the fear of the God is the beginning of the wisdom.

Coming to my life and the ministry, I was the person rejected by the mother and the brothers, because they declared me as the person without wisdom. As the matter of fact that was truth. I used to have the mildness in the life. Slow in understanding the things. Coming to the education, I was the average student. At one stage I thought why I am living on the face of the earth without the wisdom. When I came to God with humbleness to get the wisdom, He did not deny me. He blessed me with the great wisdom to become the great servant to Him to do the ministry in the wider way.

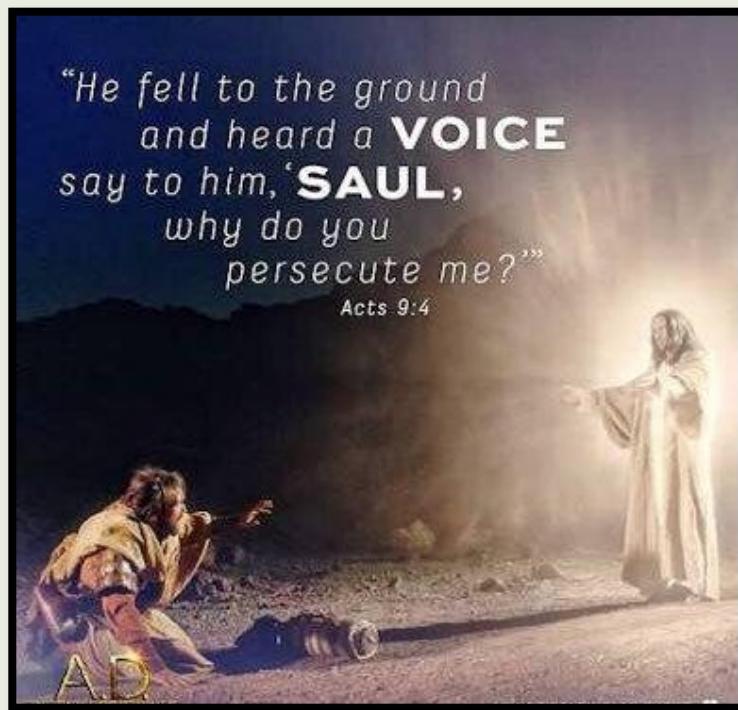

# Characteristics of God's plan for our lives

## Personal plan

There is no one else in the world like you, and therefore God's plan for you is unique and personal, just for you! He has a purpose to fulfill in and with your life which cannot be fulfilled in and with the life of any other person.

He fell to the ground and heard a voice say to him, Saul, Saul, why do you persecute me? -

Acts 9:4

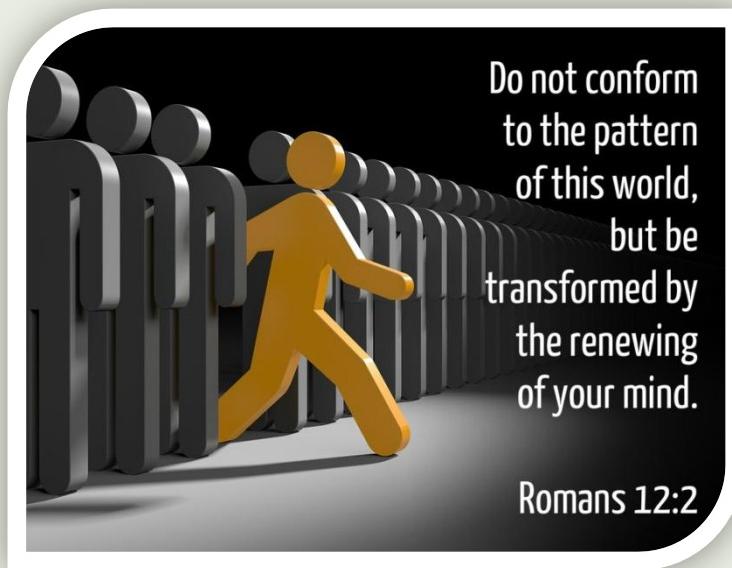

Here we will see the call from the God directly to Paul. God has the personal plan in the life of the Paul. God chosen Paul and encounter him directly to call him for the wonderful and the wider ministry. God used him in the deferent way to reach the churches with the letters. His letters are most useful to the church till today.

## **It is a perfect plan**

**Do not conform to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is his good, pleasing and**

**perfect will - Romans 12:2**

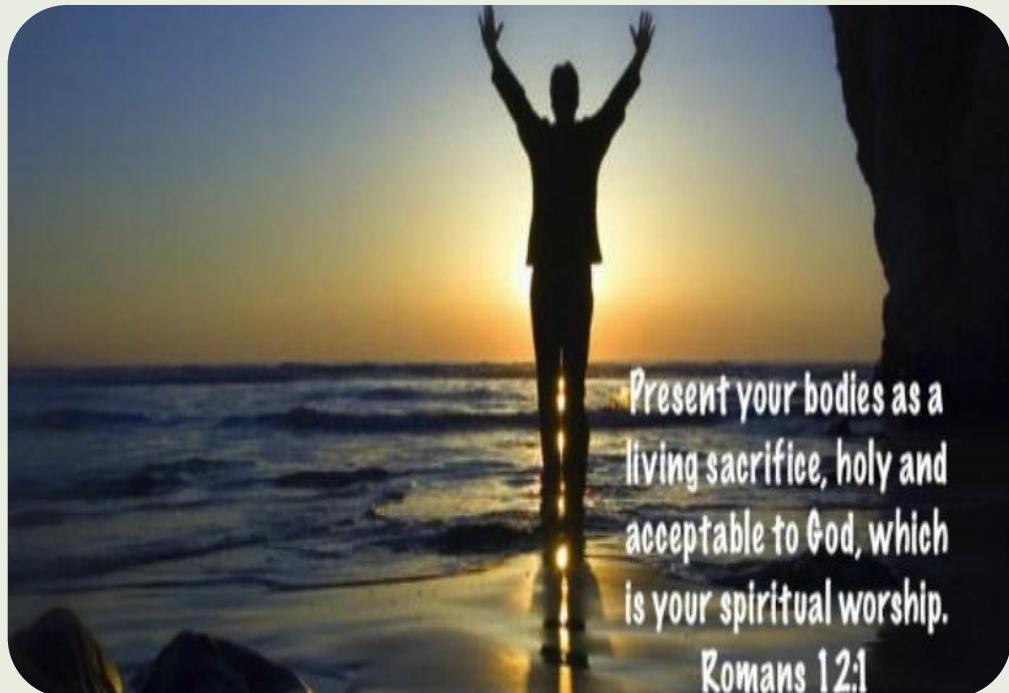

The perfect plan of the living God is not to conform to this world. Everyone must know **T**he will of God in their lives. When you come to know the will of God in your life; then only you can please Him. In the Bible history, many God servants were fall in the world and its glitters. They destroyed themselves due to their weakness and failed in the Gods works' to take place.

Coming to my life and the ministry, I came to know the perfect plan of God in my life. God called me for the soul winning ministry. There were many offers to me to start the orphanages and the widow homes. But I never turned towards any of these offers to stand on the perfect plan of the God in my life.

## Our bodies as living sacrifice

I urge you, brothers and sisters, in view of God's mercy, to offer your bodies as a living sacrifice, holy and pleasing to God this is your true and proper worship - Romans 12:1

God's plan and purpose in our lives to live for Him as the living sacrifice. It says that we must live holy and also to submit our bodies to His wonderful and the wide ministry. Many people in the Bible history and also in the present world; gone away from the Living God and destroyed themselves. Other side they brought the bad name to living God. We were bound to live holy for the holy God. For this kind of life; we need to submit our bodies as the living sacrifice to the living God.

Coming to my life and the ministry, when I accepted Christ Jesus as the personal Savior in the year 1972, from that day onwards, God separated me from the world and it glitters to stand as the living sacrifice for Him

## **Discover God's plan and purpose for our life**

**This is obvious, but it is sadly true that some Christians fail to discover God's plan and purpose for their life. In consequence their whole life is filled with disappointment and defeat, frustration and failure. How wonderful to feel that we are achieving something really worthwhile and to know that we are doing it, not for ourselves, but in accordance with the will of our loving heavenly Father! Every unconverted person is living a self-planned life, as Saul was up until the time of his conversion.**

**It is also sadly true that many Christians plan their own lives. They make the decisions and choices which afterwards prove to be so wrong.**

**I'm going out to fish," Simon Peter told them, and they said, we'll go with you. So they went out and got into the boat, but that night they caught nothing - John 21:3**

**There is nothing greater or more comforting than to know we are in the center of God's will and every one of us can know just that.**

## **Accept and acknowledge Jesus as our Lord and Savior**

**Saul entered the plan of God when he submitted to what the Lord told him to do.**

**Now get up and go into the city, and you will be told what you must do - Acts 9:6**

**On the road to  
Damascus, the  
Lord told Saul of  
Tarsus to “Arise  
and go into the  
city, and you will  
be told what  
**you must do.”**  
(Acts 9:6)**

**Saul got up from the ground, but when he opened his eyes he could see nothing. So they led  
him by the hand into Damascus -Acts 9: 8**

**The Lord Jesus revealed Himself to Saul, saying, “I am Jesus” that is “Savior”**

**This is not to say that God was not interested in Saul and watching over him prior to his conversion, but it is true to say that Saul only really entered into the plan of God when he bowed at the feet of Jesus Christ and accepted Him as his Saviors and Lord.**

## Daily submission to Him and to His revealed will

He has the whole plan of our life in front of Him, but He only reveals it a bit at a time

Steps of a good man are ordered by the LORD: and he delighted in his way - Psalm 37:23

*The LORD directs the steps of the godly.  
He delights in every detail of their lives.  
Though they stumble,  
they will never fall, for  
the LORD holds them by  
the hand. (Psalm 37:23-24)*

He knows the end from the beginning remember the former things of old; for I am God, and there is no other; I am God, and there is none like me, declaring the end from the beginning and from ancient times things not yet done, saying, My counsel shall stand, and I will accomplish all my purpose - Isaiah 46:9-10

The human condition which has to be met, if we are to know and to do God's will, is complete submission to Him and a strong desire to obey Him

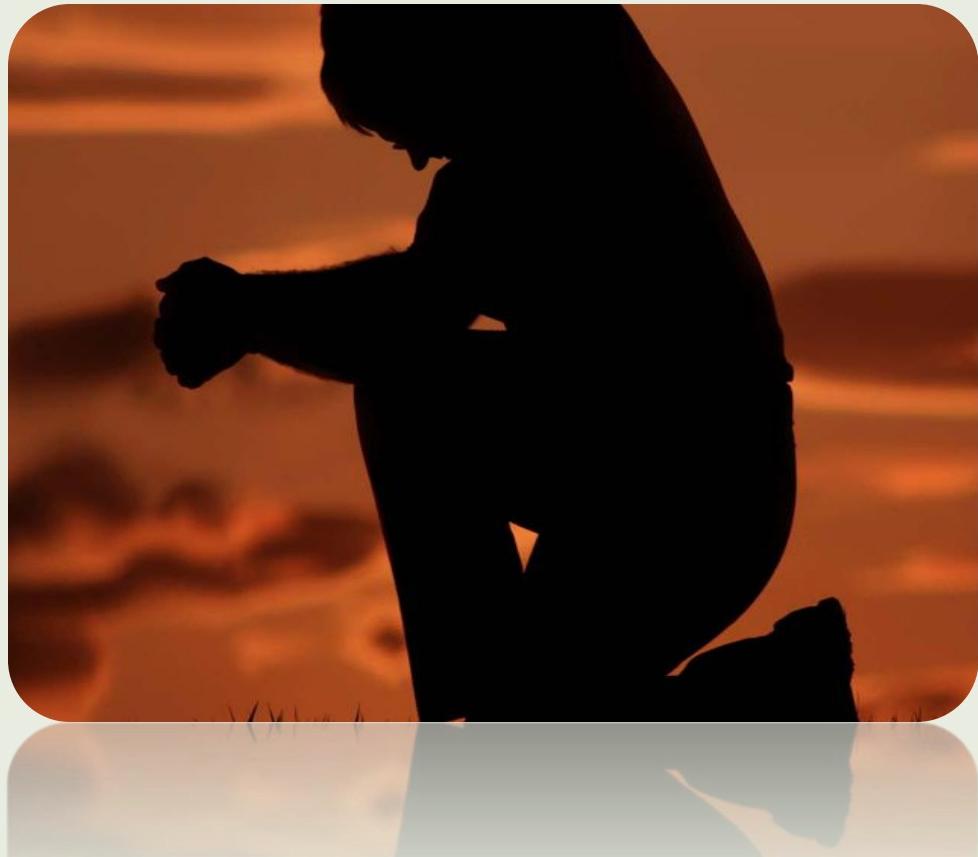

What shall I do, Lord? I asked. Get up,' the Lord said, 'and go into Damascus. There you will be told all that you have been assigned to do -Acts 22:10

# **God's will is involves four things**

## **Communion with Him in prayer**

**Teach me your way Oh! God; lead me in a straight path because of my oppressors - Psalm**

**27:11**

hen we know what it is to go regularly into the secret place that the Lord graciously  
**W**reveals His plan to us step by step. Jesus never thought the preaching. Jesus thought  
the prayer. The last message He gave to mankind at garden of Gethsemane to keep  
on Pray.

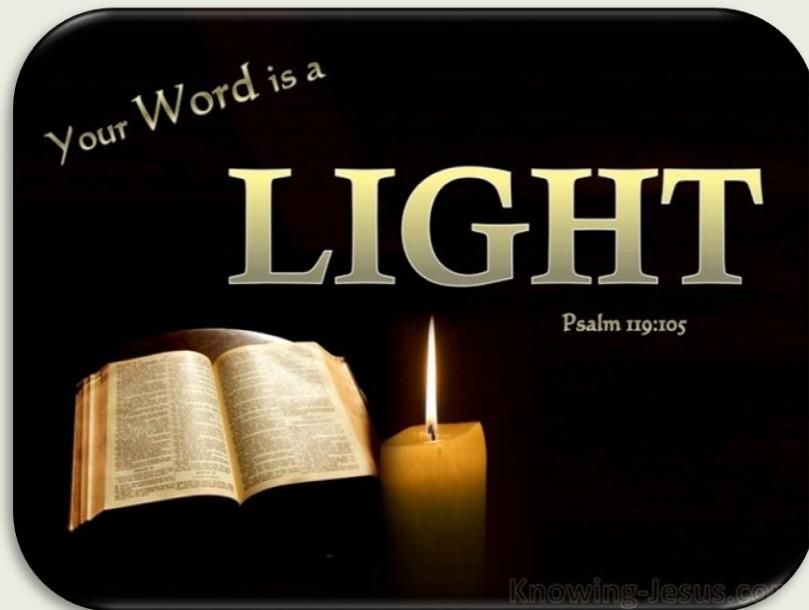

**Watch and pray so that you will not fall into temptation. The spirit is willing, but the flesh**

**is weak - Matthew 26:41**

## **Studying and searching His Word**

**How wonderfully all the saints of God to have been led as they have read and submitted  
their lives to the commands and guidance of the Word of God**

**Your word is a lamp for my feet, a light on my path - Psalm 119:105**

**rompt and unquestioning obedience; God reveals His will as we obey Him.**

**P**Does the Lord delight in burnt offerings and sacrifices as much as in obeying the Lord?

**To obey is better than sacrifice, and to heed is better than the fat of rams.- 1 Samuel 15:22. He only does it a step at a time; Saul had to go into the city before the Lord told him the next step He wanted him to take.**

**And he trembling and astonished said, Lord, what wilt thou have me to do? the Lord said unto him, Arise, and go into the city, and it shall be told thee what thou must do - Acts 9:6**

## Complete and implicit trust

e can rarely trace God's working in our lives, for we are living by faith and not by sight. This means that we have to trust Him. The Lord chose Saul to be a chosen instrument and Saul had to trust Him in all that He permitted in his life sufferings, privations, stoning and imprisonments.

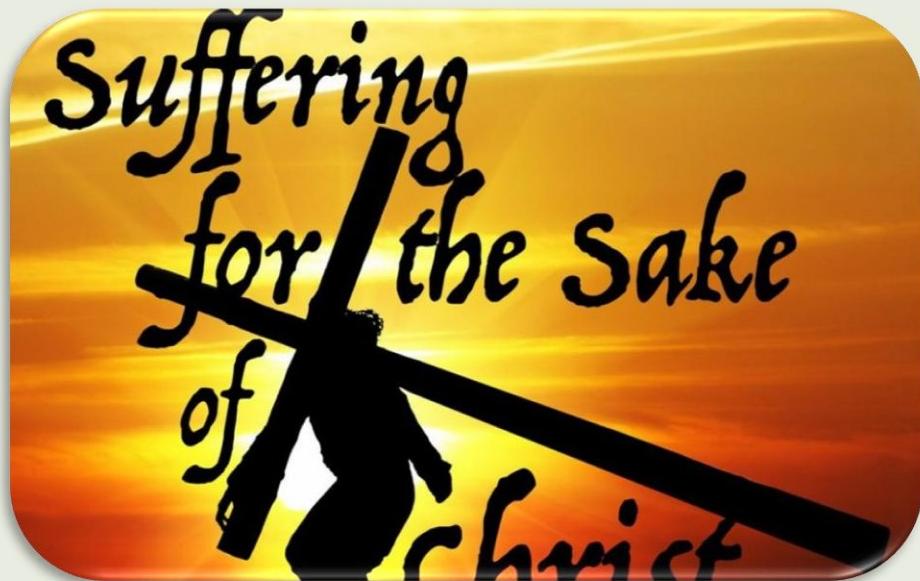

Five times I received from the Jews the forty lashes minus one. Three times I was beaten with rods, once I was pelted with stones, three times I was shipwrecked, I spent a night and a day in the open sea, I have been constantly on the move. I have been in danger from rivers, in danger from bandits, in danger from my fellow Jews, in danger from Gentiles; in danger in the city, in danger in the country, in danger at sea; and in danger from false believers. I have labored and toiled and have often gone without sleep; I have known hunger and thirst and have often gone without food; I have been cold and naked. Besides everything else, I face daily the pressure of my concern for all the churches - 2 Corinthians

## We must remember God's plan

Dear friends, do not be surprised at the fiery ordeal that has come on you to test you, as though something strange were happening to you. But rejoice inasmuch as you participate in the sufferings of Christ, so that you may be overjoyed when his glory is revealed.<sup>19</sup> So then, those who suffer according to God's will should commit themselves to their faithful

Creator and continue to do well - 1 Peter 4:12 - 13 & 19

God has his own plans in everybody's lives. When God calls you for a work; we must **G**remember all times about that plan. There were many people failed in their lives; because they forgot the plan of God in their lives.

Coming to my life and the ministry, I had some offer from the local leader to join with them in their educational institutions as the share holder. I told about the work, that God gave me to do; I must be obedient to my God's plan. That man appreciated me for the respect about the God's plan.

## We are God's handiwork

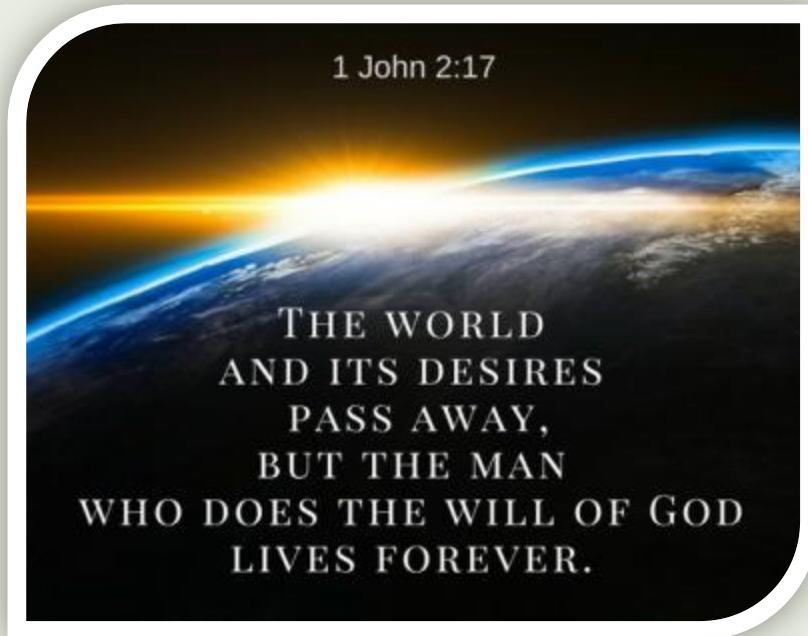

We are God's handiwork, created in Christ Jesus to do good works, which God prepared  
in advance for us to do - Ephesians 2:10

e are all the hand work of God. If we go to the Adam and Eve, God made them in His own image. When human fall in the sin; the great God came all the way from the heaven in the flesh to shed His blood on the cross. By this God owned us two times. So we are God's hand work twice. We are God's handiwork to do the good things. The great work He gave to us to take the gospel to the entire world to save the sinners. Coming to my life and the ministry, I always remember that I am the handiwork of the living God. That thought always helping me to live with the good testimony to do the good works and to reach the un-reached with gospel.

## **This world is fading**

**This world is fading away, along with everything that people crave. But anyone who does what pleases God will live forever - 1 John 2:17**

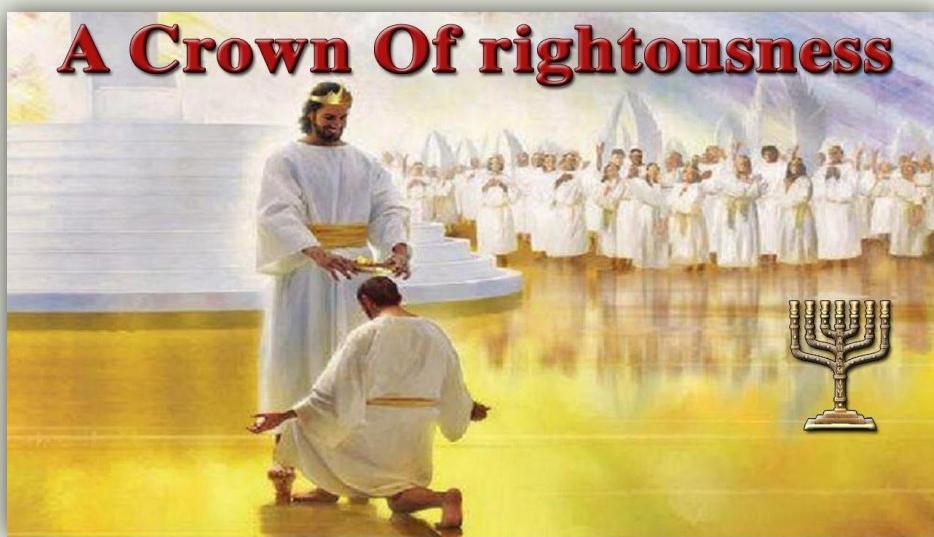

he world is fading; but the Gods children will not fade. The desires of this world and **T**he glitters of this world will not stand for long. Those things will fade. Coming to the Gods children who are living to please Him with all of their life will not fade. If we see in the Bible history and also in the present days; many people started their ministry in the great way and end up with very tragedy.

Coming to my life and the ministry, I have seen many people who went to the top places and in the end they fall to the bottom. What all I watch in their lives; once they blessed a lot, they turned their minds towards the world and the worldly leaders. The result of that, they fade in their live and destroyed themselves. But the real God servants, I have seen as the shining starts till their last breath.

## Crown of righteousness

I have fought the good fight, I have finished the race, I have kept the faith. Now there is in store for me the crown of righteousness, which the Lord, the righteous Judge, will award to me on that day and not only to me, but also to all who have longed for his appearing - 2

Timothy 4:7 - 8

**H**ere St. Paul saying about the crown of righteousness. To own this, someone must keep the faith till the last breath and also to keep the life of holy with the good testimony.

To go to this stage in the life, one must have to die for the worldly things. St.Paul mentioned in the Collisions chapter three like this. “Since, then, you have been raised with Christ, set your hearts on things above, where Christ is, seated at the right hand of God. Set your minds on things above, not on earthly things - Colossians 3:1 – 2.” Coming to my life and ministry, god kept me in that kind of life. I have no worldly friends or the worldly desires. My total life dedicated for the living God. All the day I use involve with the Gods works. I have the conformation that, God will take me to the heaven after death. I have this crown of righteousness and also other gifts he kept for me in the heaven.

## **God's plan for our life is eternal**

S you have reached this last point in our study, you are saying; what a thrilling theme **A** for young people who have the whole of life before them. But it is equally thrilling themes for the most aged Christian, for all of us who belong to the Lord have a glorious eternity before us, and God's plan has an earthly and a heavenly part. The earthly part is like the foundation of the building; the heavenly part can be likened to the structure of the building. We are apt to have a very limited conception of God's plan. When a Christian dies at the age of 30 or 40, we say, what a tragedy, which it is from earth's limited viewpoint; but God's loving plan for His children is an eternal plan.

Henceforth there is laid up for me a **crown of righteousness**, which the Lord, the righteous judge, shall give me at that day: and not to me only, but **unto all them also that love his appearing.**

II Timothy 4:8

II Timothy 4:8  
...appearing.  
unto all them also  
that love his  
appearing.

# **Great People saying about the Baby in the Womb**

**John Stevenson**

**“A mother does not become pregnant in order to provide employment to medical people. Giving birth is an ecstatic jubilant adventure not available to males. It is a woman’s crowning creative experience of a lifetime”**

## **Harriette Hartigan**

**“Giving birth and being born brings us into the essence of creation, where the human spirit is courageous and bold and the body, a miracle of wisdom”**

## **Gabriela Mistral**

**“Now my belly is as noble as my heart”**

**Author Unknown**

A baby will make love stronger, days shorter, nights longer,  
bankroll smaller, home happier, clothes shabbier, the past forgotten,  
and the future worth living for

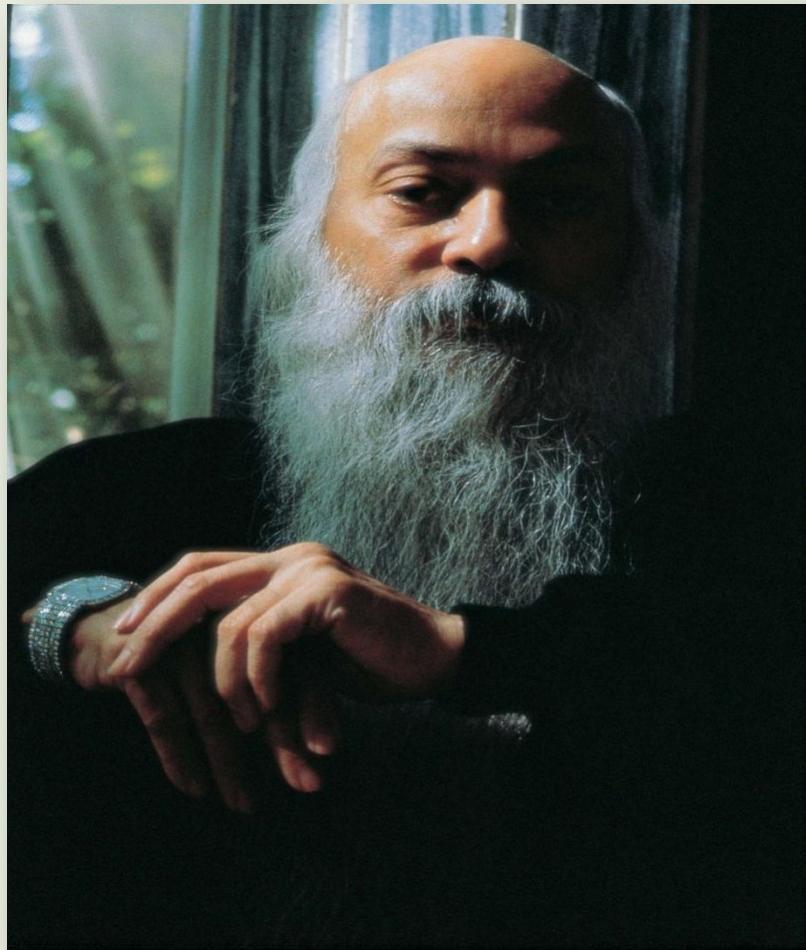

**“A baby will make love stronger, days shorter, nights longer, bankroll  
smaller, home happier, clothes shabbier, the past forgotten and the future  
worth living for”**

## **Mary Mason**

**“A baby is something you carry inside you for nine months, in your arms for  
three years, and in your heart until the day you die”**

## Osho

**“The moment a child is born, the mother is also born. She never existed before. The woman existed, but the mother, never. A mother is something absolutely new.” and so in you the child your mother lives on and through your family continues to live... so at this time look after yourself and your family as you would your mother for through you all she will truly never die”**

## **Maggie Scarf**

**“Pregnancy is getting company inside one’s skin”**

## **Catherine Jones**

**“Whether your pregnancy was meticulously planned, medically coaxed, or happened by surprise, one thing is certain – your life will never be the same”**

## **Unknown**

**“A baby fills a place in your heart that you never knew was empty”**

## **Carrie Fisher**

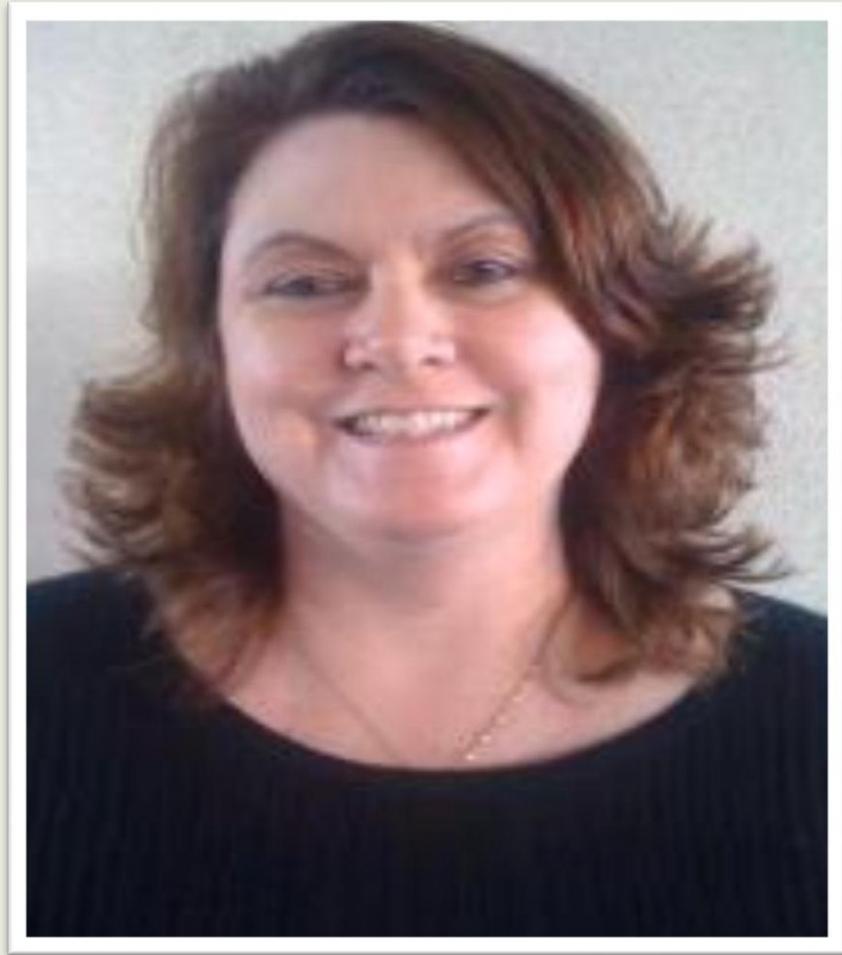

**“Everything grows rounder and wider and weirder, and I sit here in the middle of it all and wonder who in the world you will turn out to be”**

## **Nora Ephron**

**“If pregnancy were a book they would cut the last two chapters”**

## **Jane Weideman**

**“Giving birth should be your greatest achievement not your greatest fear”**

**Mandy Harrison**

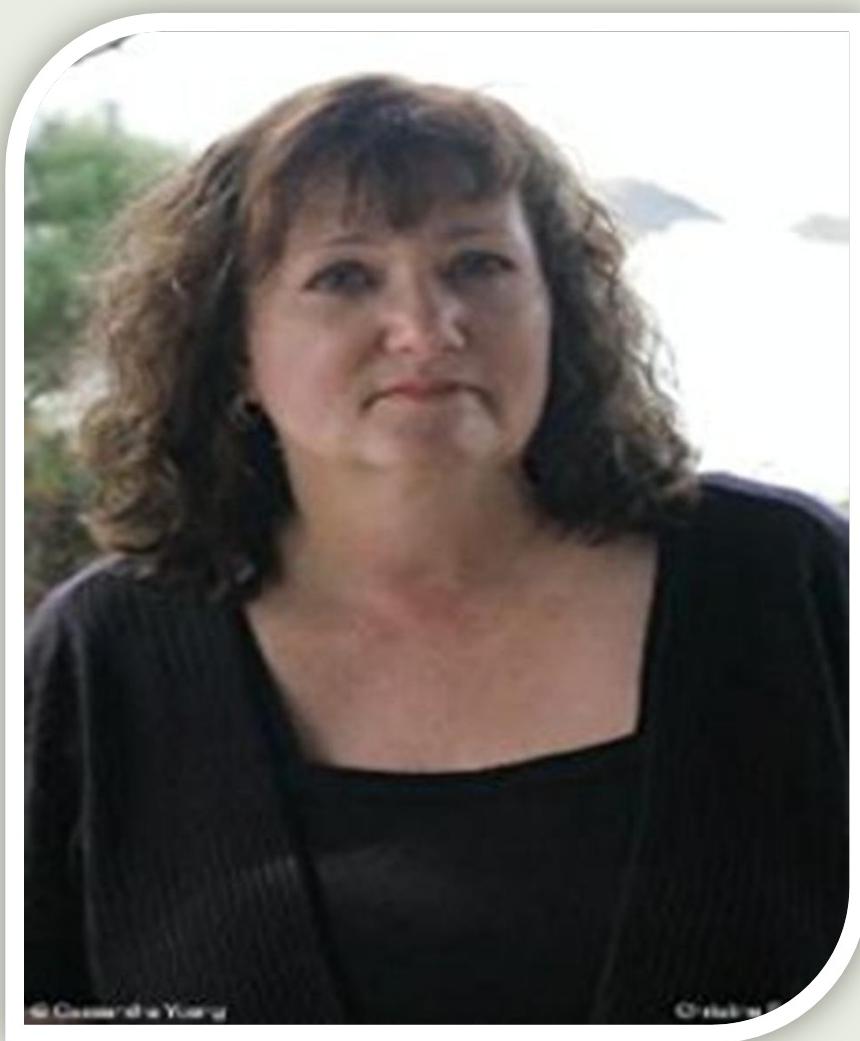

**“Before you were born I carried you under my heart. From the moment you arrived in this world until the moment I leave it, I will always carry you in my heart”**

## **Jill Churchill**

**” The most important thing she'd learned over the years was that there was no way to be a perfect mother and a million ways to be a good one”**

## **Christine Feehan**

**“Of course I can do this. I’m pregnant, not brain-damaged. My condition doesn’t change my personality”**

## **Tori Spelling**

**“I’m never as happy as when I’m pregnant. I literally would have 10 babies if  
I could”**

## **Thomas C Haliburton**

**“A woman has two smiles that an angel might envy, the smile that accepts a lover before words are uttered, and the smile that lights on the first born babe, and assures it of a mother’s love”**

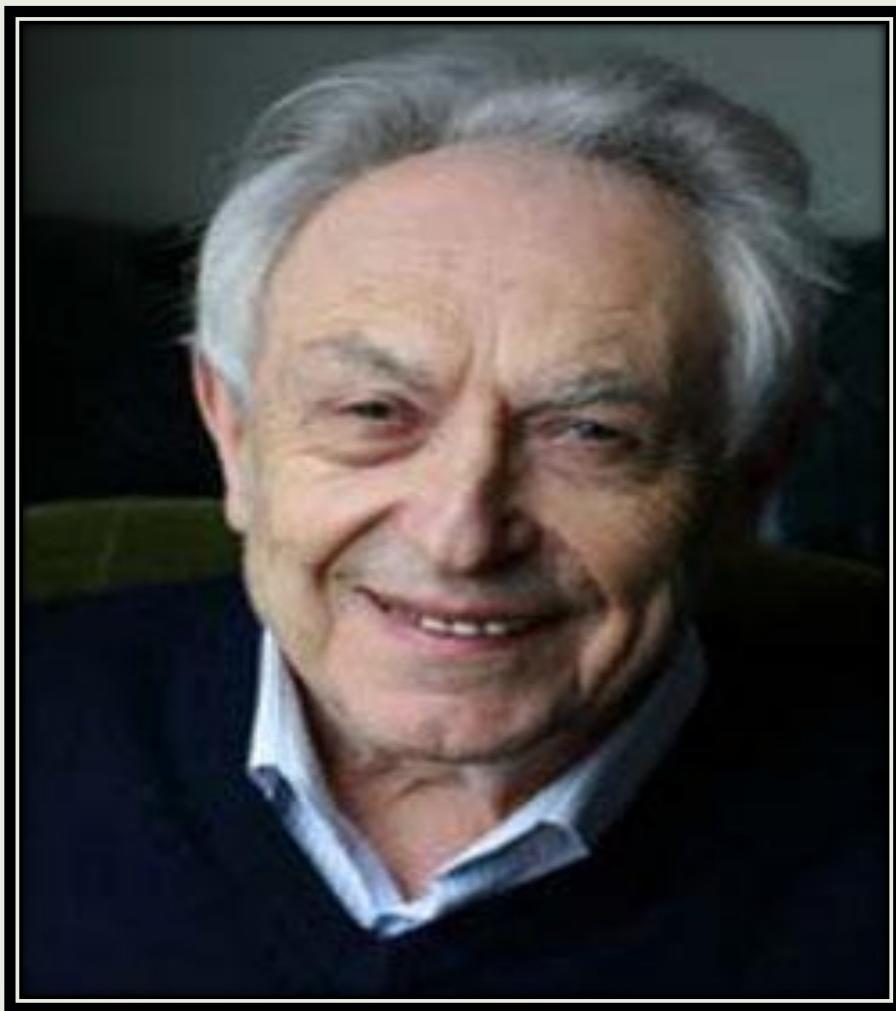

## Pamela S. Nadav

*Pamela Nadav, NP, RN  
Women's Health Nurse Practitioner  
Creator and Director of L'Hazeltor®*

**“There is such a special sweetness in being able to participate in  
creation”**

## **Michel Odent**

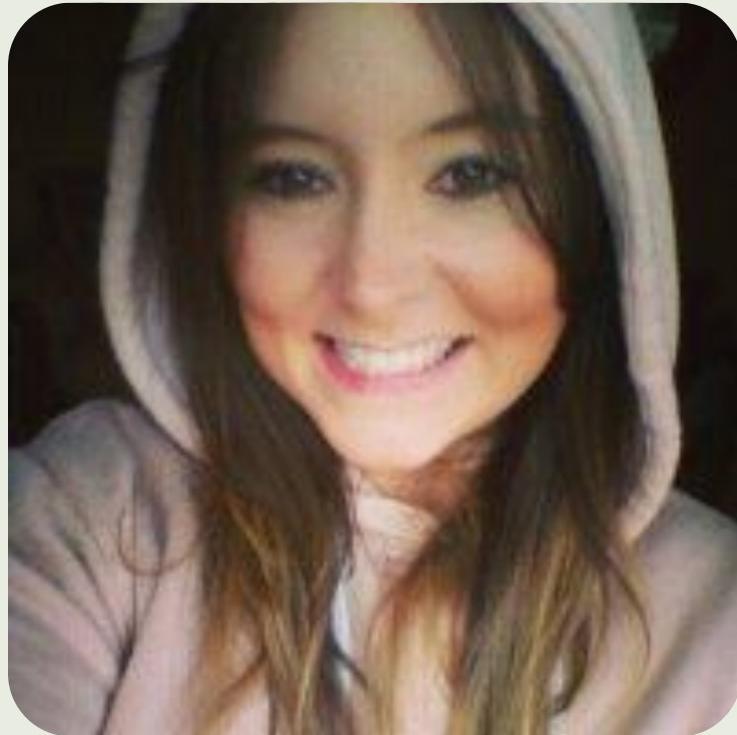

**“I usually claim that pregnant women should not read books about pregnancy and birth. Their time is too precious. They should, rather, watch the moon and sing to their baby in the womb”**

## **Holly Madison**

**“Truthfully, being pregnant is changing me as a person. Each day is part of this amazing journey that has completely shifted the focus of my life and made me reevaluate my personal and professional goals”**

## **Nikki Dalton**

**“Feeling fat lasts nine months but the joy of becoming a mom lasts forever”**

## **Rich Cohen**

**“It’s an established fact. Some women can’t stand being pregnant, getting big and bloated, and hauling around a giant stomach, and some women, for reasons probably understood by Darwin, love it”**

## **Myla and Jon Kabat-Zinn**

**“In giving birth to our babies, we may find that we give birth to new possibilities within ourselves”**

## **Elizabeth Stone**

**“Making a decision to have a child, it’s momentous. It is to decide forever to have your heart go walking around outside your body”**

## **Robin Lim**

**“Birthing is the most profound initiation to spirituality a woman can have”**

## **Judy Ford**

**“Pregnancy is a process that invites you to surrender to the unseen force  
behind all life”**

# **From my life experience**

## **Birth**

am the third son to my mother. As she was blessed with two sons before me, she I expected the girl in my place. When she came to know that she gave birth to a boy, she told the nurses not to show my face to her. She refused to see my face for a week. After the week, my maternal uncle came to see me and my mother. When he came to know that she does not like me, he gave the prophesy about me on seventh day of my age, that I will become the great servant of God in the future. We have shared many stories like this in this book. God chose the people from the birth itself. Likewise it's happened in my life and God made me as the great servant for Him to reach the un-reached.

## Youth

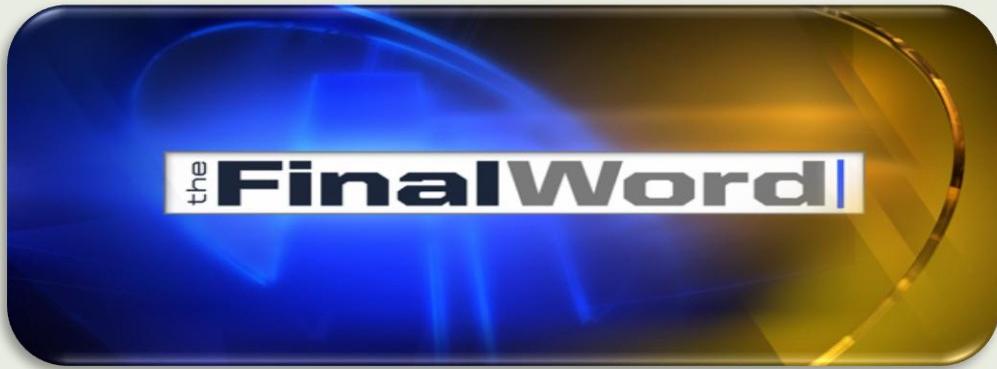

**was the rejected young boy by brothers also with many others because of my no talent  
I** and no attractiveness in any of the things in the life. At one stage I myself felt, why I was born? What for I am living? I was the average student, no talent in the sports and any other activities. When I was fifteen years, I thought myself that my life has no meaning. Every day I used to feel that I am eating for nothing breathing for nothing.

When I joined in the ten plus two, which was the time where I accepted the Christ Jesus as the personal Savior. From that day God molded me the way He wants to use me. When God started using me, that life led me to the glory unto glory.

## **Ministry**

God blessed me with good education, long twenty one year's of education. Say the commendable education. God blessed me with large congregation and open the doors to travel around the globe to present the Christ Jesus. Beside this He allowed me to write sixteen books. People did not recognize me but God made me as the strong and great servant of Him. God blessed me in every area of the life to stand as the strong vessel with good testimony. Due to my past experiences, God is using me to encourage the people who are rejected by the society. I strongly feel that living God chosen me for this great ministry. God also using me in the preaching line to reach the un-reached.

**The great creation of God: The great God created the human in his own image. The creation was mysteries. Till today doctors and the scientists do not know why some parts in the body were created. For this, Psalmist mentioned in his Psalm like this “For you created my inmost being; you knit me together in my mother’s womb. I praise you because I am fearfully and wonderfully made; your works are wonderful, I know that full well - Psalm**

**139:13 – 14”**

**Human violated Gods system in the life: That made them to hide themselves from the presence of God. There they came to know they became died. That’s the spiritual death. That death made human to become sick in the body and opened the doors for the all kinds of sickness in the body. God opened the doors for human to get that life back “Beloved, I wish above all things that thou may prosper and be in health, even as thy soul prosperity -**

**3 John 2”**

**God chosen human from birth: God chosen the human from the birth itself for His mission. In the final God wants human to live with Him in the eternal life forever and ever.**

**This book explains all the above things in detail.**
